#### 江門市五邑概況

#### A Survey of Jiangmen and Five Counties

江門市位於廣東省中南部珠江三角洲西面沿海地區,毗鄰港澳,是廣東省對外開放的城市之一。1983年6月實行市管縣,現轄新會、台山、開平、恩平、鶴山五個縣(簡稱"五邑")以及城區、郊區。總面積達9,418平方公里,總人口有342.55萬。1984年列爲全國經濟體制綜合改革試點之一,1985年列爲珠江三角洲經濟開放區。

江門五邑地區是全國重點僑鄉之一,旅居海外華僑、華人及港澳同胞約286.9萬,分佈在世界上95個國家和地區,其中華僑、華人以旅居美國和加拿大爲最多。

江門五邑地區, 美麗富饒, 土地肥沃, 資源豐富, 氣候溫和, 適宜農、林、牧、副、漁業的發展。

江門又是新興的工業城市,市縣新辦的工業企業有二千多家。鄉鎮工業遍佈廣大農村。 1989年全市工農業總產值達123億元。改革開放以來,江門市的交通、能源、電訊有了較大 的發展,投資環境不斷得到改善,1979-1989年,全市實際利用外資3.7963億美元,興辦 "三資"企業達742家。1980-1989年出口貿易額達21.251億美元。

隨着經濟發展,人民生活有了較大改善,國民收入1989年比1979年增長281%,職工收入比1979年增長317%,農民平均收入比1979年增長659%。

此外,科技文教、衛生體育事業也發展較快,由海內外鄉親合力共建的五邑大學,已初 具規模,日臻完善。近十年來,廣大海外僑胞、港澳鄉親,進一步發揚愛國愛鄉的光榮傳統,在家鄉捐資贈物總值達20億港元,爲加快僑鄉經濟文化建設作出了重大貢獻。

Located in the middle-south of Guangdong, Jiangmen is a coastal area in the west part of the Pearl River Delta in the vicinity of Hongkong and Macau. It is designated as one of the cities in the province opening to the outside world. Since June, 1983, a new administrative system of municipality over county has been adopted. The city now has five countries of Xinghui, Taishan, Kaiping, Anping, Heshan, (five counties for short) city's urban area and suburbs under its jurisdiction. The total area is 9,418 square kilometers, with a population of 3.4255 million. In 1984 it was chosen as one of the pilot cities for synthetic reform of National Economic System. Since 1985, the city has been approved to be in the coastal economic open zone of the Pearl River Delta.

Jiangmen including its five counties is one of the important area noted for hometown of overseas Chinese. The number of Chinese residing abroad, foreign citizens of Chinese origin, and compatriots of Hongkong and Macau in this area totals 2.869 million, distributed in 95 counties and regions all over the world, including many of the overseas Chinese living in the U.S. and Canada.

This area has been famous for its beautiful scenery, fertile land, rich natural resources, a mild climate suitable for the development of agriculture, forestry, livestock breeding, fisheries and farm sidelines.

Jiangmen is also a burgeoning industrial city with over 2000 newly-established enterprises above county level. And there is a wide spread of industry of villages and towns in rural area. In 1989, the total output value of industry and agriculture comes to 12.3 billion yuan. Since the open and reform policy was implemented, a considerable development has been made in transport, energy resources and telecommunications and the investment environment has been improving. From 1979 to 1989, Actual Foreign capital utilized in the city amounts to 379.63 million US \$ and 742 enterprises of joint venture, co-management, and foreign investment have been set up. From 1980 to 1989, the total export value comes to 2125.1 million US \$.

As the result of the rapid growth of economy, the people's life has been greatly improved. The national income of the area in 1989 has increased by 281% as compared with that in 1979. Worker's income per capita in 1989 has increased by 317% over that in 1979, in 1983.

Furthermore, steady progress has also been made in the fields of science and technology, culture, education, public health and sports. Wuyi University built by joint effort of both at home and abroad is beginning to take shape and striving for a real good institution of higher learning. In the last decade, the broad masses of overseas Chinese and compatriots of Hongkong and Macau, carrying forward further the glorious tradition for the love of hometown and motherland, have donated the funds amounting to 2,000 million HK\$ for the public good. They have really made great contributions for speeding up the economical and cultural construction of this hometown of overseas Chinese.
