## 校长寄语

呼唤优质教育是学生的心声、家长的心声、社会的心声，奉献优质教育是职教中心人的追求和实践。

成功是少数人的事。职教中心正改写这一事实……

现实生活中不乏两类人，一类归于平淡，另一类志存高远。我相信来到职教中心的都不是故步自封、甘于平庸的人。你们的身上蕴蓄着神奇与力量，你们之中定会产生众多英才！你们期待的视野撑起一片星空，你们必将铸就职教中心新的辉煌！

为此，我们将为你构筑梦想的起飞场，给每位职教中心人打造最强健有力的翅膀。因为我们坚信，人与人之间没有本质上的差别，只是在于你的潜能是否被召唤、被发掘。

——激发潜能，成就卓越！

Students, parents and the whole society are at large quest for high-quality education which is the pursuit and practice of all staff in Ningbo Vocational Education Center School.

Ningbo Vocational Education Center School has been rewriting the saying that success belongs to minority.

There're two kinds of people in the world: people with shortsighted contentment and people with aspiration. I believe none of you are complacent for the current state, satisfying to be a mediocre one. I believe you can create miracles with your boundless potential. I believe there will be many elites out of you to contribute to the splendid future of Ningbo Vocational Education Center School!

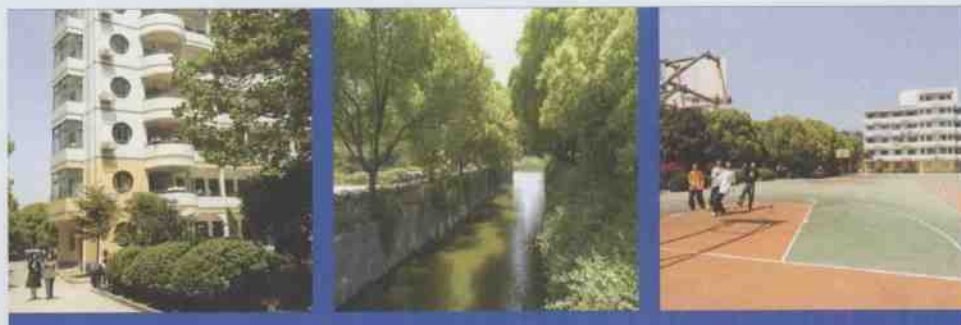

Therefore, we will sharpen your wings with a view to leaving you a higher sky. The only difference between you depends on whether your potential is fully awakened.

——To stimulate potential, to achieve excellence!

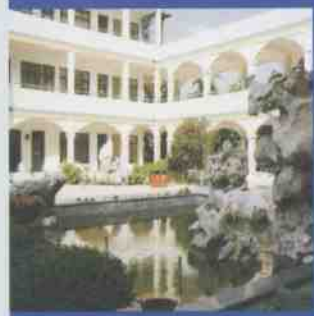

建筑优化环境 文化擦亮面孔

# Elegant Environment Civilized Appearance

# 08

美仑美奂的建筑、灵动和谐的景观，  
焕然一新的校园枕着中塘河的臂弯，更显静谧与祥和。  
学校布局合理、设施先进，  
教学区、运动区、生活区轮廓分明，功能齐全。  
悠悠回廊述说发展历史、纷呈励志警句、推介名师贤才、展示班级风貌，置身其中，  
让人尽享怡然熏陶之乐。

Magnificent architecture together with beauty spots on the campus, which is located on the bank of Zhongtang River, has thoroughly shown a picture of peace and harmony.

The well designed campus with advanced facilities and all-embracing functions is clearly divided into three parts for teaching, sports and living respectively.

You will be edified with ease while standing in the corridors presenting the history of the school, the mottos of life, the photos of great masters as well as the records of class culture.

自然、人文，不经意中的和谐  
Nature and humanism present a picture of harmony

“技高一筹，取胜未来”，学校注重技能培养，师生在省市乃至全国技能竞赛中屡创佳绩：2006宁波市第三届职业教育技能大赛，师生获得6个一等奖，13个二等奖，20个三等奖，以39块奖牌在城区职校中位居榜首；

2006浙江省中职旅游专业中式宴会摆台技能大赛和AutoCAD技能竞赛中，我校学生均获一等奖；

2007全国中等职业教育技能大赛，我校以2金1银的优异成绩在全国职校中名列前茅。

“More skilled, better chance to win.” School attaches great importance to cultivation of students' technology. Students and teachers have made a lot of achievements in many competitions, from city level to province level, even in the national-level ones. In the 3rd Technical Skill Competition of Ningbo in 2006, teachers and students of our school won 6 first prizes, 13 second prizes and 20 third prizes, ranking the first of 39 prizes among vocational schools in the urban.

Students of our school have won the first prizes in the Chinese-Style Banquet Table Setting Competition of Zhejiang Secondary Vocational Tourism and in the Technical Skill Competition of AutoCAD Application as well.

In 2007 Technical Skill Competition held by National Secondary Vocational Education System, our school has achieved two first prizes and one second prize, ranking the first place among rivals from other vocational schools of our city, among the best in China.

姿彩校园生活 全面学习体验

# Colorful Campus Life Innovational Learning Experience

让学生“动”起来，让课堂“活”起来。学分制教学管理、弹性学制、分层次教学、小班化教学等系列举措，培养学生乐学、善学、乐学的品质。青鸟计算机服务中心，健美操、轮滑社、校园电视台等13个社团成为学生弘扬个性、发挥特长、重拾自信的广阔舞台。艺术节、技能节等校园文化活动丰富多彩，各项群体活动更是精彩纷呈。特色教育为学生将来走上社会，成为具有组织能力、应变能力和创新能力的优秀人才奠定了坚实的基础。

Make the students active and fully involved in class by dynamic teaching. The applications of teaching management under the Credit System, elastic system, multi-level teaching, etc. foster the students' qualities of being able to learn, good at learning and fond of learning. Qingniao Computer Service Center together with 12 other organizations including Aerobics Exercises, Board-skating and Campus TV Station has brought the students an enormous stage on which they can shine their personalities, show their forte and rebuild their confidence. Campus' cultural activities, like Arts Festival and Technical Skill Festival, are all brilliant and varied. Such special education combined with rich activities has laid a solid foundation for the students to become elites with strong ability of organization, adaptability and innovation after their graduation.
