II. Reading 阅读短文,然后根据题目要求及所给语境完成下列三项任务

Have you ever complained why life is so tiring? Does the sky sometimes seem dark to you? Are your studies sometimes not successful? Well, friends, cheer up and smile all the time. See the world with your warm heart, and you'll find that the whole world smiles to you. Although everyone wants to succeed in what he tries to do, sometimes failure (失败) can't be avoided. I think failure is not terrible, and the terrible thing is that we are afraid of it and give up hope. When we face failure, we must be confident in ourselves, draw a lesson from it and try our best to finish what we have decided to do. As a popular saying goes, "Failure is the mother of success."

Attitude (态度) decides everything. With an optimistic (乐观) attitude life is easy and pleasant. Let's smile to whatever we meet and the whole world will smile to us.
