本项研究的设计和实施由梁晓燕博士(项目负责人,世界银行东亚和太平洋地区人类发展局高级教育专家)在于小庆(世界银行东亚和太平洋地区人类发展局局长)与Luis Benveniste(世界银行东亚和太平洋地区人类发展局教育副局长)的带领下负责完成。主报告由梁晓燕,傅予(世行研究助理顾问)和张亦男(世行研究助理顾问)共同执笔,以下几名学者为本研究开展的背景研究提供了宝贵的资料和信息:

- 中国华东师范大学的周欣博士和河南大学的赵振国博士开展了幼儿教师的调查研究。周博士本人是儿童早期教育领域的著名学者。她作为本次云南儿童早期教育研究的顾问,为研究作出了杰出贡献。
- 云南师范大学的谢云丽老师领导了ECERS-R调查。谢老师带着极大的热情与劲头,全力以赴地投入到ECERS-R在昆明24个幼儿园的调查实施工作中,并根据调查结果撰写了一份背景报告。
- 云南师范大学的闫志英、张乐、谢云丽、花艺等老师在李劲松所长带领下成功完成了住户调查的问卷修改与实施,以及一手数据的输入,整理和分析。
- 云南师范大学的花艺老师提供了充分的幼儿发展政策和机构的背景研究。她还是本次研究的主要联络人。
- 云南财经大学的李兴续博士和白涛珍老师提供了采样框架方面的技术援助,培训了采样调查的工作人员,并且对建立数据模型提供了宝贵的建议。

我们非常感谢云南师范大学教育科学与管理学院院长李劲松先

The study was led by Xiaoyan Liang (Senior Education Specialist, Task Team Leader) under the guidance of Xiaoqing Yu (East Asia and Pacific region (EAP) Human Development Director) and Luis Benveniste (EAP Sector Manager). The report was co-authored by Xiaoyan Liang, Yu Fu (Consultant) and Yinan Zhang (Consultant), with significant contributions from a few researchers who partnered with us to carry out the background studies, including the following individuals:

- Dr. Xin Zhou of East China Normal University and Dr. Zhenguo Zhao of Henan University who conducted the preschool teacher study. In particular, Dr. Zhou herself is a renowned scholar in early childhood education. Dr. Zhou also served as an advisor to the overall Yunnan Early Child Development (ECD) study and her contributions add tremendous rigor and substance.
- Ms. Yunli Xie of Yunnan Normal University who led the Early Childhood Environment Rating Scale-Revised for Pre-Schools (ECERS-R) survey. With great enthusiasm and energy, Ms. Xie immersed herself into the implementation of ECERS-R in the 24 preschools in Kunming and also prepared a background report on the results.
- Ms. Zhiying Yan of Yunnan Normal University who led a team including Ms. Yue Zhang, Ms. YunliXie, and Ms. Yi Hua. They successfully completed the adaptation of the household survey instrument as well as the implementation of the survey, entry and cleaning of data, and initial analysis of the data.
- Ms. Yi Hua of Yunnan Normal University who provided a review of ECD policies and institutions and who became the main contact person for the studies.
- Mr. Xingxu Li and Mr. Taozhen Bai of Yunnan University of Finance provided technical assistance on the sampling framework and trained the survey field workers. They also advised on the statistical modeling during the data analysis.

We owe special thanks to Mr. Jingsong Li, Dean of the Education Management Institute in the Yunnan Normal University who bravely accepted the challenging task of contracting with the World Bank to conduct the various background studies. Mr. Li's dedication to education and to

生。他接受这个极具挑战性的任务,配合世界银行实施各种背景研究。李先生对教育的奉献精神,以及对年轻教师和学生的支持,是大家学习的楷模。

我们还要感谢韩国开发研究院公共政策与管理学院提供的资金支持,以及太平洋区幼儿教育研究协会(香港)慷慨地同意我们试点中国版的ECERS-R。

最后,本研究得以顺利完成,也是与云南省教育厅领导们的支持与合作分不开的。我们要特别感谢基础教育处的曾莉琼处长,外贷科的陈永进主任、宋捷副主任和付铁铮老师,以及教科院的李亚琴女士、杨志军女士。我们特别感谢我们出色的同事和朋友宋捷主任,我们的工作离不开他的支持与专业精神。

supporting his young faculty and students will be a model for all.

We are grateful for the financial contribution made by the Korea Development Institute School of Public Policy and Management. The Pacific Early Childhood Education Research Association (Hong Kong) graciously agreed for us to pilot the Chinese version of the ECERS-R instrument.

The study would not have been possible without the support and collaboration from the officials in the Yunnan Provincial Department of Education, including Ms. Liqiong Zen from the Basic Education Department, Mr. Jie Song and Mr. Tiezhen Fu from the Foreign Loan Department, Ms. Yaqin Li, and Mr. Zhijun Yang from the Education Research Institute. The authors extend a special thanks to Mr. Jie Song for always being supportive and professional and a great colleague and friend.
