#### 少年, 少年, 祖国的春天

#### Children — the Nation's Spring

Words by Li Yourong Music by Ji Ming

1.

More charming than spring Are our happy faces smiling. Even sweeter than lark sounds Our clear and melodious singing. Everyone acclaims us.

2.

Red scarves around our necks Like the dazzling morning sun. Our hearts full of aspirations Like sparkling stars in the sky. Nobody's happier than we.

3.

Today we learn and temper ourselves.

Tomorrow we'll shoulder the heavy task—
The task of building our country,
Ready to create future with our own hands
Proud of ourselves as nobody can be.

#### Refrain:

We children are the nation's spring! We children are the nation's spring!

#### 快乐的节日

#### **Happy Festival**

Words by Guan Hua Music by Li Qun

1.

Flying ahead little birds are guiding. Around us soft breeze is sweeping. Like spring to the garden grass, In scarlet scarves and coloured dressing, We're like flowers blossoming.

2.

Pretty flowers are nodding.

Poplar trees are rustling.

Together with the birds to us they're singing.

With us children the world looks more beautiful.

With us children the world looks more beautiful.

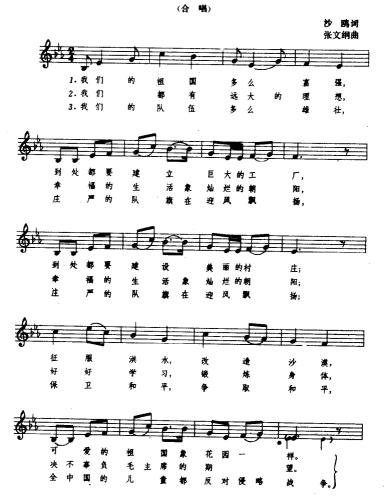

3.

Thank you, dear motherland! We grow up in your embrace freely. Like little birds when full fledged, Bravely in the sky we'll fly. Towards our ideals we'll fly.

#### Refrain:

Let's dance and dance. Let's dance and dance. With our beloved leader Chairman Mao We're celebrating this happy festival.

## 我们快乐地歌唱

<sup>#</sup> 第三段歌词唱括弧内小音符。

#### We Sing Happy Songs

(Chorus)

Words by Sha Ou Music by Zhang Wengang

1.
Our country's so rich and powerful.
Huge plants and beautiful farms are building,
Rivers in taming and
Deserts in transforming.
Our country is turning into a garden.

2.

Leading a life the morning sun bright, Leading a life the morning sun bright. As children for better height We keep ourselves healthy for hard study. We'll live up to Chairman Mao's expectations.

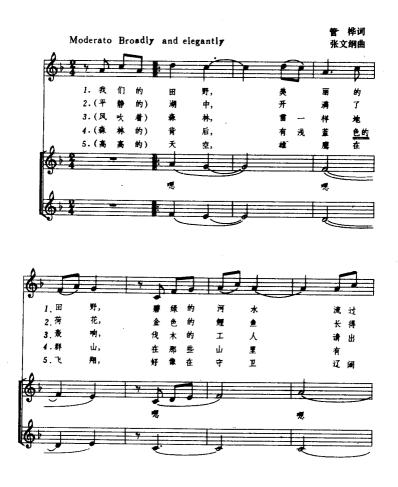

3.

Our ranks power and grandeur fill. Young Pioneers' flags in breeze sail. Young Pioneers' flags in breeze sail. In defence of peace fight against aggression war, We Chinese children will.

#### Refrain:

Hand in hand, we march thro Tian'anmen Square.
Happily we sing,
And happily we dance.
To Chairman Mao Zedong
And to the Communist Party of China
We present bouquets.

我们的田野
