“透视皇城村经济现象”掠影

将中国第一文化巨人——陈延敬的家乡建设

皇城村班子始终以“体民心 顺民意”为一切工作的出发点和落脚点，采取“相互兼职 互通互容”“党员联户征集建议”等措施，坚持按科学思路行事靠规章制度管理。重大事宜的决策在听取专家、学者论证的基础上，建立了科学规范、民主有机统一的决策机制——

■村支委、党员大会和村民代表大会三级决策机制；

■村党总支、村委会、村管会三级会议议事制；

■岗位责任制；

■村民大会及村民代表会议制度。

乡村都市——皇城

Always Using “allowing for morale, obeying public opinion” as all work’s start and end, the leaders of Huangcheng village take measures, such as “reciprocal plurality, accommodating with each other”, “party member joint householders gathering advice”, manage the affairs always on scientific thinking and rules and regulations, and gradually make the program of democratic decision standardization.

While the decision of the weighty matters is based on hearing the specialists and the scholars’ demonstration, they established the decision mechanism as a unity of science, criterion, and democracy:

- the three class decision mechanism of branch of the committee of the villagers, the Party member meeting and the village’s congress:

- the three class meeting decision mechanism of a party branch committee of the village, the committee of the villagers, and the managing committee of the village:

- the system of personal responsibility on a work post:

- the meeting mechanism of the village meeting and the village’s congress.
