画家的话

余画作重意境，脱媚俗。参画禅，于画理中得“清、静”二字。与张扬骄人、矫容悦世之作，判若泾渭。如临深渊，如履薄冰，是作画之态度；苍茫风云，天人合一，是画作之寄意。不慕虚名，唯学问之道是求。

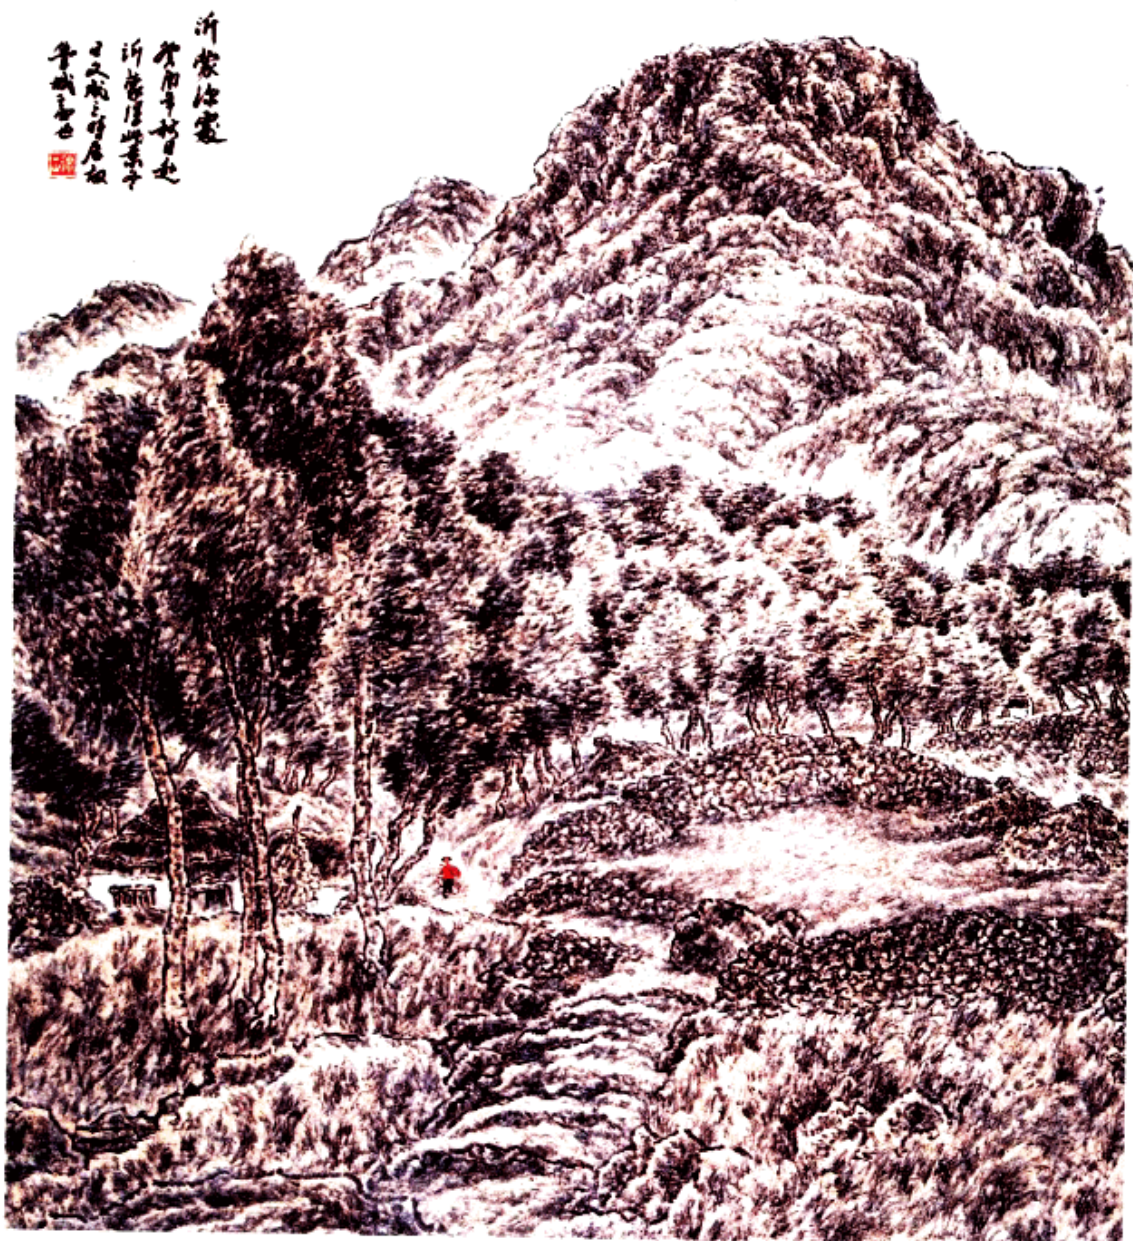

The Painter's Words

I pay attention to the artistic conception and enjoy peace and quiet when I paint. I don't like the painters who gain fame by deceiving the public and put on an act. When I paint, I am scrupulous about every detail and make the nature and humanbeing as a whole body. I don't care about the fame and seek the knowledge only.
