中国建筑材料工业协会会长、 全国政协人口资源环境委员会副主任、 原国家建筑材料工业局局长张人为莅临我公司指导工作

Jinjiang Lianxing Stone Carving & Materials Co., Ltd ,with more than ten years of history, is one of the largest manufacturers and exporters, who has the right of handling import and export, and it is also one of the granites production bases in Fujian province. The company is equipped with skilled staff and advanced facilities insisting on the management of Market Oriented, Customer Satisfied, taking the lead in passing the ISO9001(2000) Certification in this field.

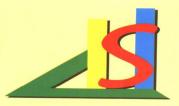

Company owns four quarries of G3533(G633), G3503 (G603),LX-338(lianxing white) and LX-801(tiger skin white) and so on. Also G603 and G633 is the national outstanding products tested according to the Standard of JC518-93 by the Stone Materials Test & Inspection Center of State Building Material Industry Bureau. We have three factories, specializing in a variety of natural granites, such as engineering slabs, wall & floor stones, ultra-thin granites plates, tombstones, fences and other series of stone products, and one company specializing in the business of export and inport, named as xiamen green trade CO., LTD(www.green-sino.com). We, as well, own the right for importing and exporting granite blocks and slabs, and some other kinds of products. A chain of production, technology, sales, service has formed.

We emphasize in promotion of modern management pattern, and enlarging the development of international and domestic market. Relying on the good reputation and enlarged scale, our products are selling well in city and metropolis, what's more, our products are adopted by national emphasis engineering. In the year of 2001, we took the lead in becoming one of the hundredsof strongest stone enterprises in the local area, and in 2002 we are rewarded as "China accreditable exporter of building products" by CCPIT. In 2003, we won Gredid Example Certificate by the P.R.C Ministry of Commerce.

Our products are best-seller not only in Europe and America but also in middle-east and south east Asia. In addition, The stone materials of "jinggang mountain cadre institude" our company provided is rewarded as "hua biao cup" in the first nation high quality stone materials title engineering. We have won decent reputation because of excellent quality and service.

We take it for granted that good quality and reputation are our priority. Hence we adhere to the principle that could be summarized as "Be realistic & High Efficiency". This is also our occupational ethics, we are always happy to build up a bridge of friendship for mutual prosperity with friends both home and abroad.

# 顺兴石材

#### SHUNXING STONE
