## Pan Gu Creating The Chiverse Chiverse

儿童成长故事 4 神话传说系列 8

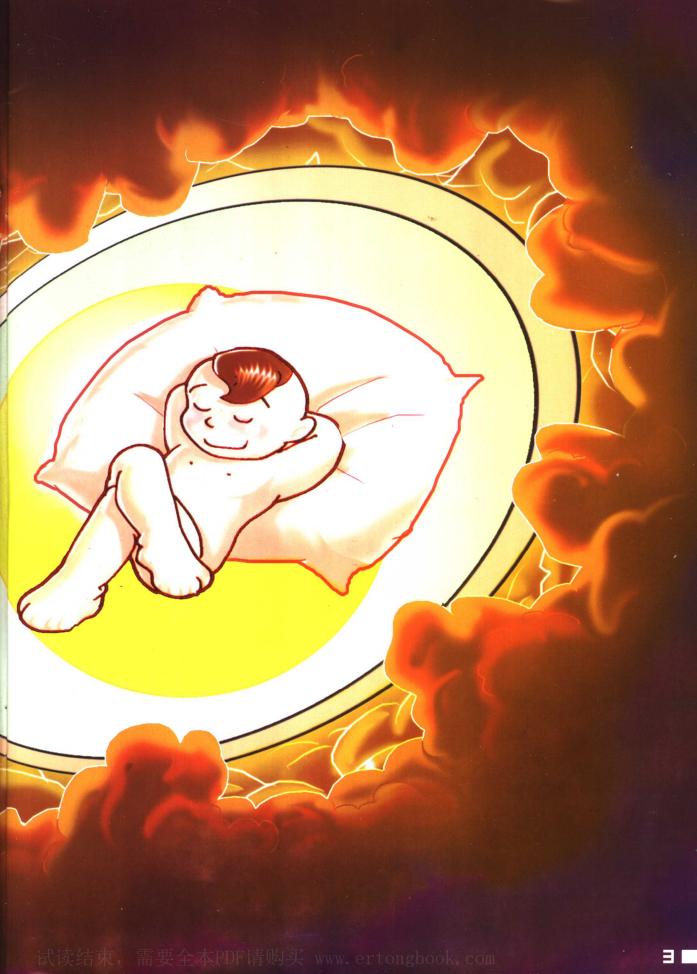

在非常久远的时候,天和地是连在一起的,还没有分开,整个世界就好像一个大鸡蛋一样,黑暗混沌(音dùn)成一团,从里到外依次是蛋黄、蛋清和坚硬的蛋壳。

At the very beginning the sky and the earth were a whole. The whole world was just a chaos like a huge egg. From the inside to the outside of the egg were respectively yolk, egg white and the hard eggshell.

- 6 eggshell n. 蛋壳,易碎的东西

在这个大鸡蛋中,睡着一个巨人,他的名字叫做盘古。盘古在大鸡蛋中孕育着,像睡着了一样,发出呼呼的鼾(音hān)声,转眼之间一万八千年过去了。

A giant was sleeping in it. He was Pan Gu. He was growing in it as if he were sleeping. He even snored. Eighteen thousand years past like a second.

- **1** giant n. 巨人, 大力士
- ② as if adv. 好象, 仿佛·····一样
- 3 snore v. 打鼾, 打着鼾渡过(时间)
- 4 second n. 秒, 片刻

有一天,盘古忽然醒来了,他睁开眼睛。但他觉得奇怪,怎么四周一片黑暗,什么也看不见呢?

One day he suddenly woke up. When he opened his eye, he was surprised to find that he couldn't see anything in sheer darkness.

- 1 suddenly adv. 突然地
- 2 wake up v. 醒来
- 3 surprised adj. 感到惊讶的
- 4 sheer adj. 全然的, 纯粹的, 绝对的
- 5 darkness n. 黑暗, 漆黑

黑暗使他实在是受不了了,他向旁边一抓,竟抓到了一个大斧(音fǔ)子。接着,他使用全身的力气,狠狠地向前劈(音pī)去,只听见一声巨响,坚硬的蛋壳被他劈裂了。

He really could not stand it. So he tried to grasp something. Out of his expectation, he found an axe. He exerted all his strength to hack in front. The hard eggshell was broken as a thundering sound burst out.

- ① stand v. 站立, 经受
- 2 grasp vt. 抓住, 抓紧
- **3 expectation** n. 期待,预料,指望,展望
- 4 axe n. 斧

- 8 thundering adj. 雷鸣的, 雷一般响亮的
- 9 burst out v. 闯出来,大声喊, 突发

于是,这个大鸡蛋中那些轻的东西,升上天空变成了天,那些沉重的东西,渐渐地沉下来,变成了地。当初混沌黑暗的世界,就这样被盘古用大斧子给开辟出来了。

The light things the egg floated up to become the sky, while the heavy things fell down gradually to the earth. The formless world was separated into heaven and earth.

天和地被分开以后,盘古怕它们 会再合拢起来,就用头顶着天,脚踩 着地,伸直了腰杆站在天地之间了, 随着天地的变化而变化起来。

Pan Gu feared that the separated world would join together again. So he held up the sky with his head, and trampled the ground with his feet. He straightened his body between the sky and the earth, growing higher and higher as the distance became longer

每天,盘古的身子也就随着增长起来,就这样,又一个一万八千年过去了。天升得高极了, 地也变得厚极了,盘古的身体也长得好高大好高大起来。

So Pan Gu grew like this for eighteen thousand years. The sky rose far above and the earth became extremely thick. Pan Gu himself had become a titan too.

- 1 like this 这样地,如此
- 2 extremely adv. 极端地,非常地
- 3 thick adj. 厚的, 粗的, 稠的
