Global Style

interiors & colors

世界风尚 · 室内空间与色彩 (A)

Selected from over 1000 projects, the 169 cutting edge interior designs with well-designed color schemes featured in the book cover a wide range of styles, including African, Asian, European, Latin, North American, Australian and other regions. Various interior projects such as hotel, bar, club, salon, beauty, spa, gym, restaurant, shop, office, airport, cinema, library, museum, school, theater, clinic, hospital, pharmacy, exhibition and residence will be presented in alphabetical order of project name in each chapter. Designed by hundreds internationally renowned architects from world-wide, these works were created under the cross-culture background which brings a "global style" of the contemporary interior's space and color.

Lots of information in the book contains high quality color photos, plans, design concepts, and color schemes which help with technical understanding of each project and gaining of inspiration.

本书在综合考虑设计风格、实用配色方案、地域特征、功能类别等多种因素的基础上，从1000多个近期室内设计项目中精选出169个精彩案例。风格上囊括了亚、非、欧、拉丁、北美、澳洲等各种地域特色设计，功能类别上所涵盖的范围也十分广泛，其中包括酒店、酒吧、会所、沙龙、美容、SPA、健身中心、餐厅、商店、办公、机场、电影院、图书馆、博物馆、学校、剧院、诊所、医院、药店、展示空间，以及各种住宅空间。各个章节中的项目都依据项目名称的字母顺序进行依次排列。所选案例来自全世界几百位著名室内设计师，这些作品在广阔的跨界文化背景的交融中真正演绎出一种当代室内空间与色彩的“世界风尚”。

超大的信息量汇集高品质摄影图片、平面图、设计理念的介绍，以及配色标示条等，所有这些将非常有助于读者去深刻理解每个作品的设计灵感与技法。

Althea Kalamies villas

The design is light and "flowy". The color palette is a reflection of its surroundings -pure white and beige, with turquoise highlights and natural materials like wood and copper. / 整个设计色彩明亮、形态“飘逸”。主色调是纯净的白色和米黄色，不仅映衬了周围环境，更突出了搭配其中的宝石蓝色，以及木质、铜这些天然材料。

Althea Kalamies is a new luxury complex hotel comprising of 18 three or four-bedroom villas with private pools along the sandy coast of Protaras, Cyprus.

The client requests the conversion of the beach houses to unique luxurious villas. As the hotel is located in a tourist area and destination that is mostly occupied during the summer season, guests are more likely to take advantage of the outdoor beauties and disregard the indoors. So it was a challenge to design an interior space that is both warm and cool, inviting and fascinating, equivalent to what the exterior has to offer.

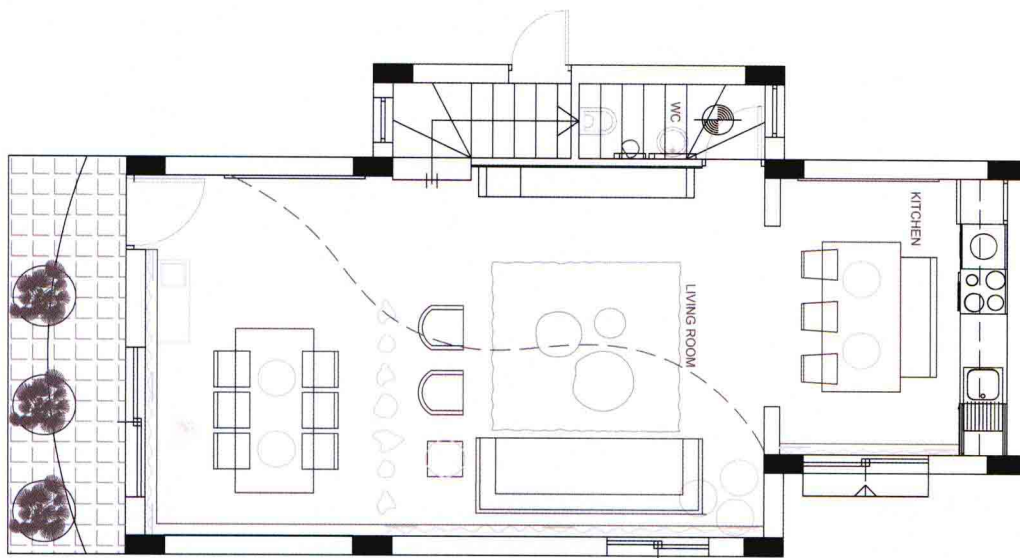

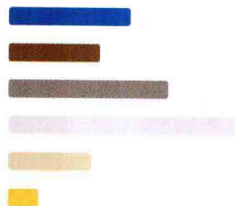

Relaxation, nature, sea and water are key words in the concept behind this hotel design. Combining aesthetic pleasures with mesmerizing views of the infinite horizon, the villas are a signature of modern elegance and luxurious comfort. The design is light and "flowy". The color palette is a reflection of its surroundings – pure white and beige, with turquoise highlights and natural materials like wood and copper. The presence of tree trunks and vine roots appearing in several corners of the villas are surprising elements which suggest the emersion of the exterior into the interior spaces. Summer is spread all over the interior giving to the project the desired equilibrium.

Althea Kalamies位于塞浦路斯的普它拉斯海岸边，这家新建成的奢华酒店由18栋别墅组成，每栋别墅配有3-4间客房和私人游泳池。

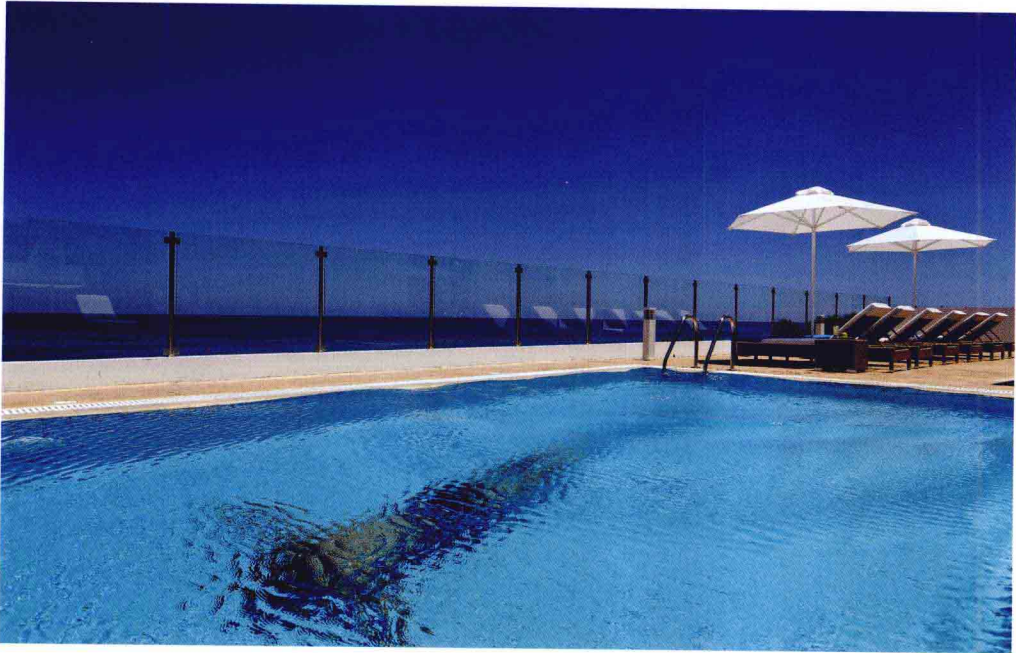

客户要求将海滨普通房屋改建成独特的豪华型酒店。由于酒店位于旅游区，入住率较高的季节是夏季，游客们更愿意在户外享受美景从而忽视了室内环境，所以，如何将内部空间设计得温度适宜，与外部环境同样具有吸引力，成为本案的一个挑战。

轻松、自然、海洋和水是这家酒店设计理念的关键词。开阔的视野与审美享受完美结合，使这些别墅成为时尚、优美、奢侈、舒适的代名词。整个设计色彩明亮、形态“飘逸”。主色调是纯净的白色和米黄色，不仅映衬了周围环境，更突出了搭配其中的宝石蓝色，以及木质、铜这些天然材料。室内一些角落中装点的树干和葡萄藤成为整体设计中的点睛之笔，代表着户外环境在室内空间重现的理念。夏天的味道弥漫在整个空间，平衡了室内所需的整体风格。

Andel's Berlin

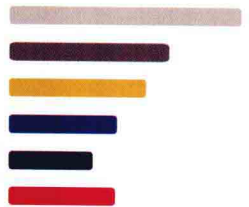

This ergonomic, simple room is careful only to offer the guest as many needs and wants as possible. A timeless palette of anthracite, black and white is offset by accents of shocking, saturated citruses. / 便捷型客房的设计主要考虑了尽可能为旅客提供更全面的服务。永恒、经典的黑白搭配优雅地衬托着饱和、醒目的柠檬色。

The concept of the hotel is to build the solid foundation of the Andel's brand principles. Function and comfort are given equal priority, to accommodate the needs of both business and leisure guests. The spaces are uncluttered and crisp but softened by focused textural enhancement. Materials are carefully chosen to be discrete but effective. Colors are to be fun and stimulating but also calming. Above all, the design is understated but memorable.

Linked to the lobby at ground floor is the grand, double height "Oskars" bar. Its monolithic stone tile interior is juxtaposed with accents of colors from the lounge furniture and stacked glass bar. The sky bar, in the crown of the tallest corner tower, has 360 degree views of the City. The hotel also boasts a destination Fine Dining restaurant with 60-covers, serving gourmet Austrian cuisine. There is also further dining for over 500 guests or delegates in the hotel's two dining rooms, which still retain a special intimate feel through the use of upholstered dividing screens and windows.

In common with Andel's brand standards, the bedroom is perfectly considered, crisp, calming, uncluttered space and a premium quality bathroom, superior to its peers. This ergonomic, simple room is careful only to offer as much as the guest needs and wants. A timeless palette of anthracite, black and white is offset by accents of shocking, saturated citruses. The typical bathroom accommodates a king sized shower and WC in frameless glass enclosure, as well as a full sized bathtub.

本案的设计理念是为Andel酒店树立坚实的品牌理念。为满足商务和休闲旅客的不同需求，功能性和舒适性的创建受到了同样的重视。空间设计整齐、清爽，集中表现的肌理效果搭配其中，增添了一份柔美的感觉。精心挑选的材料不相关联，但使人印象深刻。颜色生动活泼鲜明又不失端庄。总而言之，整个设计低调朴素却又令人难忘。

一楼与大堂相接的是华丽的双层高的Oskars酒吧。那里整块的石砖装饰与休闲家具和线条优美的玻璃吧台的色调交相辉映；楼顶最高处的Sky酒吧，有着360度的景观视野；酒店还设有可容纳60个餐位的Fine Dining餐厅，供应奥地利美食；另有两个餐厅可容纳500位客人或大型团队同时进餐，屏风及隔断窗的使用为大空间保留了亲密感。

卧室设计同样符合Andel's的品牌标准。清新、宁静、整洁的房间以及高档浴室，彰显非凡品位。便捷型客房的设计主要考虑了尽可能为旅客提供更全面的服务。永恒、经典的黑白搭配优雅地衬托着饱和、醒目的柠檬色。浴室内部设有超大花洒、无框玻璃卫生间和全尺寸浴缸。
