根泰廠監製

歲月不居,時序者流,一瞬息間,驪歌遠唱,吾同人等勢將離日夕絃誦之黌舍,別朝暮相處之師友,作勞燕之紛飛,一思及此,能不黯然神傷!追緬往事之可資留戀者甚夥,爰撮其要,臚與於後,俾作留別紀念。

本級於一九二九年秋呱呱墮地,而級史亦於此時宣告開始。是年級友計五十六 人,人數之多,為全校各級之冠。其後或因同學轉學他校;或以他故輟學,故人數 逐年號減。至二年級時則為三十八人,三年級時三十七人,迄今僅三十六人矣。然 以金陵歷來各屆畢業生之數量觀之,本級尚能打破其紀錄;蓋金陵畢業班人數超過 三十者,此其肇始也。本級級友之籍貫凡六省,中以江蘇為多,廣東次之,福建又 次之,他如浙江,湖北,四川,等省更次之。

復次,本級之在金陵也。具有特殊意義,蓋人數雖祗卅六人,而主修科系竟占有十三系之多。其間以主修社會學者爲最多,凡八人;經濟學五人;數理系與生物系各四人;歷史系三人;英文,體育,哲學,醫學諸系,各二人;其他如護士科,國學,音樂,政治,諸科,主修者僅一人而已。是則本級發展平衡,濟濟多士,來日福利社會,定匪淺鮮。

本級同人於課外活動,亦具與趣,各項活動,皆不後人。專就體育方面言之,若余君和鸞,司徒君媛,胡君秀英,梁君菊英,黃君猥瑶,李君子真,葉君雅珍,皆精珠術,擅田徑及他項運動,舉凡對內對外各項比賽,此數君必與選。然本級體育,在金陵歷史上佔一特殊篇幅,何以言之?蓋於四次運動會中,本級健兒,雖在運動場上類現身手,然終未獲得得勝銀杯。其原因以第一與第二年時,吾級雖在運動場上,獨佔優勝,然以入校尚暫,不知尚有其他積分,(Individual points),而此積分又與運動場上之各項分數,處於問等地位,則本級於運動會所得之分數,乃安能與他級個人平日積分較乎?至三年級時,吾級同人因前車之鑑,乃矢志努力,遂至積分累累,為全校冠,然以滬役發生,級友星散,運動場上,以諸與兒之他適,乃預形減色。本級復富奮鬥精神,雖屢遭失敗,却談笑自若,再接再勵,故於最後一年中,個人積分又居全校之首。豈知「蒼天有意磨英骨」,而吾級竟以少一分而敗北。當此之時,雖雅有憤慨之意,然級中同人咸以勝亦不足為榮,敗亦不足為原,又復秦然處之矣。

至音樂方面,則有藍君乾碧之獨唱,司徒君媛之鋼琴獨奏,皆響遏行雲,**譽滿** 全校。他如黄君寶璇,蔡君德粹,擅長於丹青,亦高美藝林。

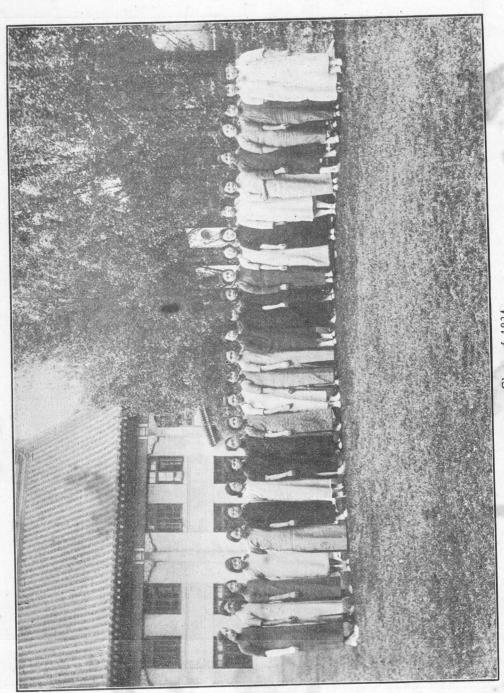

吾級之精於表演戲劇者,亦不乏其人,若余君和鸞,黃君瓊琚,甘君碧雲,每 為劇中不可少之名角,言辭,表情,皆有獨到處。

吾級又多演辯之才,者尤君浩德,張君漢秋,甘君碧雲,余君和鸞,皆為一時 傳傑,尤君當「九一八」事件發生後,屢為本校代表,出席抗日救國等會,而余君亦 於二金陵演說競賽中,獲得亞軍,一時傳為佳話。

本級復以富領袖才見稱,若李君子眞,不徒為吾級級長者二年,而於其他校內 括動,恆立領袖地位,負指導責任。若王君仁慈,胡君秀英,周君宜一,余君和鸞 ,周君銘,皆為過去各種學生組織之領袖。

吾級亦多文士,如吳君柳世,陳君嶺梅,吳君津琴,黃君振莊,周君銘,皆以 詩賦文辭,盛稱全校,而吳君淑琴尤擅作滑稽文字頗膾炙人口。

除以上所述有關全校生活之外,尚有本級之單獨生活。以級為主體,除級長外, , 尚聘有顧問,指導一切事宜。一年級時,本級。問為張肖松先生,張先生為人嫻 静和藹,拾遊嬉外,復與吾級同人以精神上之慰藉,各方面之指導。乃張先生選作 新大陸之遊,悵然話別,情何能已。張先生去國後,常從海外寄書,恆多易勉語。 繼張先生為顧問者,為師以法先生。先生為本校哲學教授,有超人之思想,卓越之 幹才,長戲劇遇。校中表演戲劇時,師先生輒邁演之,有責任心,復富魄力。同人

Class of 1935

吾級之列入金陵史籍,自一九三一年始。級中人數之多,為全校冠;雍雍睦睦,恰然若有以自得也。

始吾之負笈是校,背鄉離井,常惴慄無以自安,以為君我之騖,廁身英才萃集之區,將不知所以措手足矣;旣而入學,果然;所幸吾級友愛之情氣篤,雖各來自 他鄉,或至言語不通,間有隔閡,亦能有所諒解。

吾嘗私付,以為吾級諧子,宜負有特殊使命以報國人;蓋吾級始入金陵之第一秋,東北事件發生;茲國難之肇端,正吾級大學課業之伊始,夫吾人之入大學,莫替於各自事業之前途,有所籌計:然每惑於流俗,致或娄糜不振,終其身亦有所不能建樹;令者,乃於吾人學業伊始之際,霹靂一聲,驚心動魄,吾人豈猶不能自警惕,勤學業,備他日用耶?

既而上海事變,級中因而囘籍,或寄讀他校者,頗不乏人,是以一九三二年春季,本級頓尼蕭條,人數寥寥,乃有相依為命之況。是秋,級中人數又增,舊濟一堂,極一時之盛,然而有因春季報學致不列入吾級者,亦不乏人,此又吾級之所引為城者也。

吾聞之,「損友三,益友三,」,「君子之交以義」,吾級諸子之朝夕相處,非先宴遊嬉戲,亦必有所砥礪切磋,處今之世,道義之風日頹,詭譎之流,交相為意地。交相為為,至於賣國辱親,唯利之所在,無不敢為,此吾國之有今日之危急也。或曰:「凡上所言,率皆男子所為,於我女子何有哉」,實則不然,進而言之。是以所之此種行止,正女子促其成。何則?吾人觀乎以往,可以知之。是以所之首,解帝后妃之德;而禍水之稱,實指女子,蓋女子多習於看途,安於怠惰,為好議是非,道他人之短長;即今之已為,有我不能免此惡智,為為當今之急,欲挽此頹風,莫君吾女子有以自修之道,在起誠動儉上用功為為一人之急,欲挽此頹風,莫君吾女子有以自修之道,在建設動儉上用功後身份。對後嗤之,是不誠,不誠,雖屬至親骨肉,父母妻子,於是是所謂思考,是以賣國,與親,而不顧也,與妻子,於是是,對而稱亂相尋矣;是以賣國,與親,而不顧也,如子之女子,每好以為非、所謂、相尋矣;是以賣國,與親,而不顧也,如子之女子,每好以為非、所屬於針」,示志之堅且動相,故曰:「一生之計在於勤」。今之女子,每好以怠惰相務權,一者其有榮譽者,嘻!是何言哉?老子曰:「上士聞道,勤而行之;中士問道,若存者亡;下士聞道,大笑之」吾女子其欲為下士耶?

夫儉·美德也·以物質文明之發達,習俗之所趨,儉之美德,久不講矣,或誤儉為節衣約食,衣賴褐,居陋屋,餔糟證粥,以致於形銷骨立,是誠謬矣!儉之道,在以最經濟之方法,而使用其金錢,如因節食而病,莫岩食稍豐;农具什物,如暖而易壞,莫岩貴而輕久;居不必高樓大廈,但求清潔,今之女子;不習於儉,驚時超俗,期以最與趣之方法,以消耗其金錢,於是為人父者,不得不施其卑污技偏,冀塞北妻女之欲壑,斯貪汚之流所由與也。

要之,未有人忠而不誠者,忠誠之士,必知所以勤其業;能動其業者,鮮有不儉,是四春,蓋相輔而行者也,吾級諸子,則身學府,是者干女子中之佼佼者也;願以忠,誠,勤,儉,相処勵,以期他日用世于歸者,以相夫子;教學者,以接子弟;廣而至於侍人接物,立身疐世,其以此數字為吾級銘;吾級賢才犖犖,其有益於社會必多,吾不才為吾級之測焉小者,膺諸子之命,敢不自量,略職數語,作級史。

### Class History of 1936

History may be defined as a written summary of the past of an individual or a group in a certain place at a certain time, recorded for the purpose of helping people in understanding that individual or that group. Therefore the value of a history does not lie in the attractiveness of its style or fascination of its story; but in the authenticity of the data. It is in such a way that History of the Class of 1936 will be told.

On the eighth of September 1932, the class of 1936 was born in Ginling College, On the ninth, the next day, firstly, names were given to every member—each bore a name on her clothes; secondly, different examinations, physical and intellectual were given to test whether we new girls had certain qualifications and capacities to be members of this family; thirdly, we were asked to pay fees for our future living and learning. After these steps we were then acknowledged by our godmother, Mrs. Thurston, and our family head, Dr. Wu, and our eldersisters. Nice speeches were given by them hoping that their new children would be nice, obedient and womanly.

This new born group consisted of sixty seven girls of different localitis and schools: Bridgman Acade.ny in Peiping, Keen School in Tientsin, Eliza Yaltes in Shanghai. Lungkiang Girls' Middle School and Laura Haygood in Soochow, Olivet Memorial Girls' School in Chinkiang, Hwei Wen and Chung Hwa in Nanking, Girls' Midlle School of Anwhei in Anking, Rulison in Kiukiang, St. Hilda's School in Wuchang Fuh Liang Girls' Middle School in Hunan and True Light in Canton.

Since we came from different places, we had a great variety in our dialects; we were fat and thin, tall and short; our characters were active and quiet, graceful and shy. And purposes differed; some expected to be famous writers, some to be scientists, some muscians, some professors and some doctors.

How did these very different girls be come acquainted with each other? It was through studying, classes, class meetings and parteis.

Study classes actually bound us girls together; they gave us opportunities for mutual help, and chances for friendly talking. But a class mostly contained girls of common purpose and interest. Therefore only part of us be came acquainted through it.

Hence we had classmeetings to supplement it. The first classmeeting was called under the leadership of the president of our sister class in which we choose our cwn president, Miss Liu Dze-dzen, secretary, Miss Tang Sheh Ying, and treasurer Miss Dziang Ho Djen. It was rather funny that a universal election could be held among these strangers. Following this, we had five more meetings in which we had discussions, reports, and elections concerning the class affairs.

In connection with our elder sisters and teachers, there were large and small parties.

During the fall semestes, five parties were given to us by the Y. W. C. A., Faculty, Senior class and our Junior sisters; two parties were given to the Senior and Junior classes.

In the spring semester, (before April first) we had two, in one we were to gather with the faculty, and in the other we were with our class adviser, Miss Wu Mou-i. In each of these parties, we had great pleasure in playing funng games, eating sweet foods and securing better understanding of our teachers and elder sisters through talking.

The last party with our class adviser was a little different from the others. It consisted of our class only and in it, Miss Wu gave us a nice and friendly talk. From this talk, we got some ideas of our past doings—whether they were good or bad, right or wrong, complete and incomplete; and by it, our class consciousness was greatly roused.

Besides these, we also joined the other students activities in this college; but, because we were comparatively young and new. did not take any important part in them.

The life of every individual always has numbers of irregular curves; we freshman were no exception and we had our own curves composed of different points low, middle and high points. The highest point we have attained thus far was the success on Field Day, November 26, 1932: On that day, we depated our sisters and won most of the points. The next highest point was in winning the basket ball game held in March 1933. Again, we defeated all of our sisters in three successive games.

But look not happily into these past victories nor gloomily into past inactivities. To be wise, we should look at our class flag of red and white and our motto, truth, to improve our present, go forth to meet the shadowy future, fight for the Truth with red courage and a pure white heart.
