前 言

《中级英语双基程序训练》分上、下两册，分别与人民教育出版社高中英语统编教材第一、二册同步，可供中级英语学习者使用。

本书由湖北、安徽、山东、浙江等地一批有丰富教学经验的中学教师和教研员编写。全书紧扣教学大纲和现行教材，注重语言运用能力的培养，按照循序渐进的原则，精心设计和选编了与课本密切配合的分课测试题和单元综合训练题。所选习题知识覆盖面广，针对性强，深浅适度，是读者提高学习兴趣，巩固所学知识，开拓解题思路所必备的学习参考资料。

由于编者水平有限，疏漏之处在所难免，敬请读者提出宝贵意见。

 75. A. in B. with C. for D. by
- VIII. 阅读理解 (20%)

A

A country's latitude (纬度), or distance from the equator, has an important effect on its climate. In places located at low latitudes, or near the equator, like Ecuador (厄瓜多尔) and northern Brazil (巴西), the amount of sunshine changes the least during the year. At mid-latitudes, in places like Japan or Argentina (阿根廷), there is more sunshine in the summer than in the winter. The greatest change occurs at the highest latitudes, in places like northern Canada or Alaska. In these places, the nights are very long for half the year, and the days are long during the other half. At the North or South Pole, sunlight lasts the longest during the summer. But light and heat are the most intense (强烈的) at the equator.

76. Which of the following statements is true according to the passage?
- A. Nothing but a country's latitude has an important effect on its climate.
 B. Climate mainly depends on the distance from the equator.
 C. Climate has something to do with a country's latitude or distance from the equator.
 D. Nothing but a country's latitude or distance from the equator decides its climate.

77. In northern Brazil, the amount of sunshine changes _____.
A. greatly B. the most C. constantly D. the least
78. The greatest change occurs in Alaska because it is _____.
A. located at the lowest latitude
B. located at the highest latitude
C. near the equator
D. far from the equator
79. In northern Canada _____.
A. the nights are very long for half the year
B. the days are long during the other half year
C. sunlight lasts very long all the year
D. both A and B
80. The best title for this passage is _____.
A. Weather B. Climate
C. Latitude and Distance D. Time of Sunshine

B

When David Williams left the university, he went to Australia. When he returned to England for a visit years later, he decided to go back to his old university.

David was delighted when he discovered that his professor was still teaching there. He went to visit the old man, and saw an examination paper on the desk. He looked at the date on it and saw that it had been given to the students the week before.

Having read it through, David said to him, "Professor, I'm certain that these are exactly the same questions as twenty years ago! How is that possible?"

"Yes, that's right," agreed the professor calmly. "The questions are the same, but the answers have changed."

81. Before David left for Australia, he _____.
A. must have taught in the university
B. had probably been a student in the university
C. worked in the professor's office
D. had been a teacher in England

82. Which of the following is true according to this passage?
- A. David would visit England for years.
 - B. David graduated from this university for more than twenty years.
 - C. David worked in Australia and got his college education in England.
 - D. The answers changed because the questions changed a little, too.
83. David _____.
- A. went back to his old university and saw his professor
 - B. went to teach in his old university
 - C. went to find out whether his old professor was still there
 - D. accepted an invitation from his old professor and went there for a visit
84. The examination paper David saw on the desk was _____.
- A. given to David and his classmates
 - B. the same as had been given to David years before
 - C. used only a few months before
 - D. prepared for David
85. _____, the answers to them were different.
- A. Because the questions were not the same as before
 - B. Since the questions were a bit changed
 - C. As the students were more diligent than David had been, the professor thought though the questions were the same
 - D. The professor told David that though they were the same questions
