前言

韦唯的歌声跨越世纪，感动并影响了几代人。

韦唯的故事街谈巷议，众说纷纭，极尽传奇。

而这本书，由她第一次亲自执笔，娓娓道出那段“童话婚姻”的真相。160幅图片就是这365天的日记。DVD立体图像，是从跟踪拍摄的几百幅照片和上百个小时的录影中选出，其中两首新歌的MV，中文歌词由韦唯亲笔写就，从中可以体会她独身以后的新心情和新境界，永恒不变的是她对生活的热爱，对听众的真诚和对音乐的成熟领悟。

韦唯的家1999年搬到了瑞典，十年前由这里开始的姻缘，十年后也在这里结束，惊与喜，爱与恨都埋藏在了这个冰雪国度中。

Foreword

The story about Wei Wei is one of the most remarkable in music history. Being the greatest pop star in China for 20 years makes her one of the most recognized singers in the world – even though she has managed to be kept a secret to most Westerners. You will find her songs on more records than Western artists could only dream of. The most recent estimates count more than 160 million sold. She performs regularly in front of larger audiences and is broadcast to more TV viewers than her colleagues in West might experience only once in a lifetime.

A while back she moved to Sweden. Sweden's total population is about half of the city of Beijing's and, despite the fact that it is one of the smallest countries in the world, it gives her more space than back home in China. In Sweden she is not a recognized artist...yet.

This book is a 160 page postcard from Wei Wei. Enjoy her. Enjoy her new life. Enjoy the undisputed queen of Chinese pop music.

The New Wei

感悟心灵

我是韦唯。

我是中国人，是个歌手。

我是女人，也是个母亲。

而我不再是某个人的太太了。

我爱音乐，我爱大自然，我爱鲜花，我爱我的三个孩子。

我爱——生活。

二十多年的巡回演出，“旅行”这个词儿，对我来说充满了疲惫的感觉。聚光灯、晚宴、Party等等，令我的身心开始敲响警钟。这一刻，我的心邀请我小坐片刻，去倾听和思索我自己内心的声音。

在瑞典的家中，我有个“Wei Wei's Pool”，我喜欢在里面边游泳边思考，更重要的是与自己对话。

我最常告诉自己的是：“我幸福、我健康、我年青、我漂亮”“我事业好、家庭好、孩子好……”一遍一遍地，我边游边告诉自己。两年里，我明白自己的生活出问题了，我拥有世人想拥有的一切，而我为什么不快乐呢？

我有一个很强烈的意识——更深地走进自己，找寻那个真实的韦唯。

Looking inside

I am a woman. I am Chinese. I am a pop star.

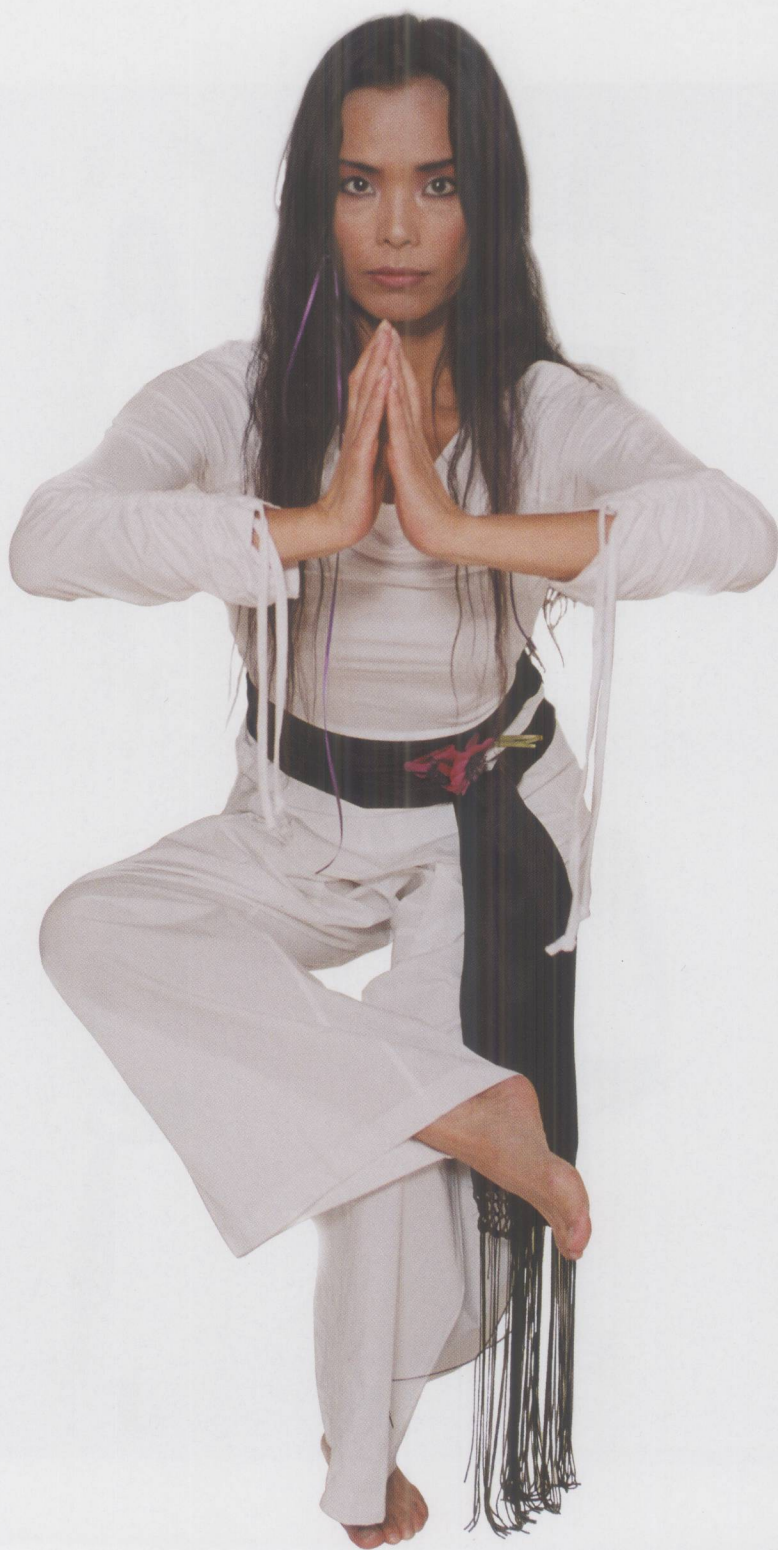

I am a mother but I am no longer a wife. I love music. I love flowers. I love my three children and I love life.

After more than twenty years of constant traveling and performing, my mind and body knocked on the door and urged me to sit down for a while. It wanted me to listen.

I have a pool and I like to swim and think. I did that a lot at that time. I swam for hours but it didn't take me long to realize that I am very fortunate. I am healthy and my three boys are, as well. I have the opportunity to use my voice and express my feelings to millions of people – and they even ask for more. I have the opportunity to travel, to work, to eat, and to swim in my own pool.

Despite all this, I felt unhappy. What was wrong with me? Think positive for goodness sake! I am healthy. I am a star. People even think I look good. I should be more than happy. Why am I not? Why am I not satisfied with my life? Am I a bad person, thinking like that?

I swam a lot during that period. I came to the conclusion that I had to start all over again. To look deep inside of me in order to find myself. To find the essence, to find the real Wei.

心中有爱。The Chinese sign for love.
