Nicole Kidman

## 原文 美式发音

**Kidman:** I didn't think that I was ever going to have the success that I have now. I'm very surprised. I go in to see my <sup>1</sup>agent that other day, I said, "Can you believe this? This is kinda like 'wow'!"

**Interviewer:** Do you think that being Mrs. Tom Cruise in any way hurt your career?

**Kidman:** What does it matter? It was, I mean, hurt it? I had a life with him. I spent a decade of my life with him and loved him. Still, will always, you know, I mean, when you spend that amount of time with someone, they are with you. So therefore, when you say, well, does it hurt your career, who cares? that's what I wanted.

**Interviewer:** I've read that you put your career on the <sup>2</sup>back burner and allowed his career to be more important to you than your own.

**Kidman:** Yeah, of course though. He earned way more money than me.

**Interviewer:** You didn't feel you were being held back?

**Kidman:** I don't look at it that way.

**Interviewer:** You said, in that period of time, you can't have it all. But you are. You're having a huge career and you're raising two children alone.

**Kidman:** Yeah, I am doing it and I suppose that's why, I mean, I'm tired.

She thought she was <sup>3</sup>gawky, that her hair was too <sup>4</sup>frizzy, her skin too pale. And <sup>5</sup>overall, that she was too tall.

**Kidman:** I was teased, really teased.

**Interviewer:** How tall are you?

**Kidman:** I'm five ten and a half, but I think now maybe I've grown half an inch and I'm five eleven. I was this height when I was thirteen years old,

I love to act, and I can't imagine doing anything else.

(Hilary Swank, 《疯狂英语》第53期)

## 译文

基曼：我从没想到自己会拥有今天这样的成功，我感到太出乎意料了。有一天我去看我的经纪人，我说：“你能相信这一切吗？这太让人惊奇了！”

记者：你是否认为，嫁给了汤姆·克鲁斯在一定程度上毁了你的事业？

基曼：那有什么关系呢？我是说，那叫毁了事业？我曾和他一起生活。我一生中有十年时间和他生活在一起，我爱过他。依然如此，以后一直都会，你知道，我是说当你和某个人一起生活了那么长的时间，他就已经和你分不开了。所以，你来问我这是不是毁了我的事业——管它呢！那是我的选择啊。

记者：我听闻你曾把自己的事业放在次要地位，而让他的事业比你自己的更受重视。

基曼：是的，当然是。他赚的钱比我赚的多嘛。

记者：你有没有觉得过自己的事业有损失？

基曼：我不那么看。

记者：那个时候你说过，不可能样样俱得。可你现在得到了——你事业腾飞，还独力养了两个孩子。

基曼：是啊，是这样，所以我说我觉得好累。

妮歌从前还觉得自己太笨、头发太卷、皮肤太白了。她更嫌自己长得太高。

基曼：那时我被别人嘲笑，老被嘲笑。

记者：你有多高？

基曼：五英尺十英寸半，我想我现在可能又长高了半寸，

原文

which is really hard.

**Interviewer:** Hard... Yeah. There's not one guy in your whole school who was as tall as you.

**Kidman:** No. Oh no. They all came up to here. It was awful.

**Interviewer:** Did you feel like ...

**Kidman:** Yeah, I had this thing where I liked to say "I'm not big" then because everyone goes, "Oh you're such a big girl." "No, no, I'm not big, I'm not big."

It's been an issue in her career. Going back to her American debut in *Days of Thunder*. She was afraid that she was too tall to get the part opposite the star, Tom Cruise. She not only got the part, she got the man.

**Interviewer:** Was it love at first sight? One look?

**Kidman:** Not one look, but it was pretty powerful. You fall madly in love and that was sort of, you know, that was my love of my life, so that was a big thing.

**Interviewer:** It started good.

**Kidman:** Very good.

Nicole Kidman and Tom Cruise got married a year after they met. There were rumors that he, and perhaps she, too, were gay. Rumors they both denied. Nicole insists theirs was a real marriage.

**Kidman:** Love is an emotion that is so <sup>6)</sup>compelling and <sup>7)</sup>overwhelming and <sup>8)</sup>intoxicating and extraordinary and they write—movies and books and songs, and we all know why.

I think all his children loved him desperately.  
(Ron Reagan, 《疯狂英语》第20期)

## 译文

到五英尺十一英寸了。我十三岁就长了这么高，太痛苦了。很痛苦……

记者：是啊。整所学校都没有哪个男孩和你一样高。

基曼：哦，没有。他们只长到我这儿。太可怕了。

记者：你是否觉得……

基曼：是的，我当时很在乎这个，我总说“我个子不高”，因为人人都说：“哦，你真是高个子女孩。”“不，不，我个子不高，我个子不高。”

个子问题一直纠缠着她的事业。提起她当年演出第一部美国片《雷霆壮志》时，她还担心因为个高的缘故而演不成汤姆·克鲁斯对手戏。结果她不仅得到角色，也赢得了爱人。

记者：那是不是一见钟情？惊鸿一瞥？

基曼：不是惊鸿一瞥，不过印象分很高。疯狂地陷入爱河，像找到了一生之爱那样，那对我可是大事。

记者：有个好的开端。

基曼：非常好的开端。

妮歌·基曼和汤姆·克鲁斯认识一年后结了婚。谣传他——或者还有她——都是同性恋，他俩否认了此谣言。妮歌坚持说，他们之间是真正的婚姻。

基曼：爱情让人臣服，让人难以抵抗而迷醉，爱情太神奇了，电影、书，还有歌中说的都太对了，我们明白了那种感觉。

(Mike Tyson, 《疯狂英语》第9期)

## 原文

But just as her career was beginning to <sup>①</sup>**take off**, her private life <sup>⑨</sup>**crashed**. After ten years, Tom Cruise asked for a divorce, saying only, “Nicole knows why.” Nicole <sup>②</sup>**fell apart**.

**Kidman:** That was a terrible, terrible time in my life and a lot of things happened. Umm, in terms of my health, everything...

**Interviewer:** You had a <sup>10)</sup>**miscarriage**.

**Kidman:** ... which I don't even want to talk about. Everything <sup>11)</sup>**crumbled** at the same time and that's when you go, but if someone else is sitting out there now watching and saying, “I don't think I'm gonna <sup>12)</sup>**get through**,” you can.

She says that now, but back then she was so <sup>13)</sup>**devastated**. She says she couldn't get out of bed and didn't stop crying until her mother arrived from Australia.

**Kidman:** You know, you cry and my mom will say, “What are you crying about? Get up, stop complaining, and move on. Life goes on, girl.”

**Interviewer:** Do you blame yourself?

**Kidman:** Well, of course there's two people to blame here. I mean there's a whole story behind, oh, everything and it's not, it's certainly not for public <sup>14)</sup>**scrutiny**.

Even with the great roles, the <sup>15)</sup>**triumphant** success, the talk of more and more Oscar nominations, Nicole Kidman admits she's lonely.

I understand that I'm in a position where people are going to be watching what I do.

(Lindsay Lohan, 《疯狂英语》第54期)

## 译文

但在她的事业才刚有起色的时候，她的私生活却一团糟。结婚十年后，汤姆·克鲁斯提出离婚时只说了一句：“妮歌知道原因。”妮歌崩溃了。

**基曼：**那是我一生中的黑暗时期，发生了很多事。唔，我的健康也出了问题，一切都乱糟糟的。

**记者：**你还流产了。

**基曼：**我不想谈此问题。一切都同时坍塌，旁人如果坐在一边看到我说这番话，如果这人说：“我想我熬不过去。”——其实你能。

现在她说起来容易，可当时她感觉惨不见天日。她说她甚至起不了床，还不停地哭，一直到她的母亲从澳洲来看她。

**基曼：**我哭啊哭，妈妈就说：“你有什么好哭？起床，别再抱怨了，向前看。生活还是要继续啊，孩子。”

**记者：**你自责吗？

**基曼：**说到责备，两个人都有过错。我是说，这件事另有内情，只是不便于公开说出来。

尽管得到了很棒的角色，有了辉煌的成功，不少人觉得她应该获更多的奥斯卡奖项提名，妮歌·基曼还是坦诚地说她感到孤独。
