前 言

转眼间,1997年又飞快流逝,新的一年已经来临。《中国及海外会展概览》已经走过了三个年头。三年来,本书得到了海内外展览商、参展商的大力支持和关注,同时也受到了广大读者的热烈欢迎。每到年底,大批传真、信函雪片似地飞到编辑部。刊登展会信息,借本书信息桥梁的作用,沟通与参展商、观展商和读者的联系;刊登广告,借《中国及海外会展概览》这一展览、会议领域的专业媒体提高自己在展会、工商领域的知名度;预订新书,可望早一天获得来年的会展信息,尽早筹划工作,把握商机。

我国的展览业也同本书一样,展览内容日趋成熟和完善,举办规模也愈来愈大,每年的博览会,交易会,展销会,贸易洽谈会、看样订货会、展示展评会数几千计。其中有反映社会政治、经济、科技、文教方面综合性成果展,而更多的则是一个或多个行业的博览会,它不仅能全面地反映该行业发展状况和综合实力,而且能够引导企业了解行业发展水平及趋势。所以,一个成功的展览会就是某行业的“晴雨表”,成为业内人士的焦点。

1998年经济工作的主要任务之一就是:积极调整和优化经济结构,加速实现国民经济合理化布局,提高国民经济整体素质和效益。我们通过《中国及海外会展概览》这本书,从中可以看出我国为适应世界科学技术的发展和国际经济结构加速重组的趋势,正在加大经济结构调整的力度,我们应在展览计划中看出端倪。

由于时间仓促,出书前还有一些会展信息未能收进本书,在此希望广大展览组织机构尽早与我们联系,我们将以增补本的形式将这些展览信息发送到广大读者手中。也希望广大读者对本书提出宝贵意见,使她越办越好。

Preface

Time elapsed so quick. It seems that just in a trice, year 1997 has almost gone. New year is approaching. Directory of China & Overseas Exhibitions And Meetings has been publishing for three years. During the time, it obtained extensive supports from exhibition organizers and exhibitors both at home and abroad. It was warmly welcome by the reading public. In the end of each year, a large number of letters and faxes arrived in the Editorial Dept. : Publishing information of exhibitions and meetings, utilizing the Directory as a bridge linking up exhibitors, visitors and readers; Advertising, taking the advantage of the Directory's role as professional media in industries of exhibition and commerce, making their names and images well-known; Subscribing, wishing to get hold of the informations earlier so as to plan out marketing strategy and catch up business opportunity.

The same as this Directory, China's exhibition industry is getting improved and becomes matured gradually. Exhibition scale is getting larger. There are each year thousands of exhibitions, expositions, trade fairs, order fairs, symposiums, seminars, etc. Some of them are shows reflecting comprehensive achievement in politics, economy, science and technology, culture and education, etc. Most of them are expositions of one industry or multi-industries. Not only could it reflect the status quo and total level of the field(s), but also it shows the industrial trend. Therefore, a well-organized exhibition is the window of the industries on which all the professionals focus for all the related knowledge.

One of the main tasks of 1998's China's economic work is to expedite rational distribution of national economy and raise its overall quality and efficiency. Through Directory of China & Overseas Exhibitions And Meetings, you could tell that to adopt the development of worldwide science and technology and trend of accelerated reshuffling of global economic structure, we increase the strength on adjustment of economic structure. It releases in the exhibitions and conferences to be held in the coming years.

Due to tight schedule, some exhibitions and conferences information might not have been collected in this book. We kindly ask those exhibition organizers concerned to contact us in time. We will spread your exhibition information among our numerous readers by means of issuing supplement. We also wish you readers put forward your opinions. We highly value your suggestion. It makes Directory of China & Overseas Exhibitions And Meetings improved to your satisfaction.
