前 言

古往今来,艺术乃人类文明的象征。雕塑与壁画均为最有生命力之艺术,在人类文化史的长河中,它们是石头、青铜、色彩、线条写成的史诗。

中国历史悠久,古代雕塑壁画艺术光辉灿烂,无论秦俑兵马、敦煌壁画、云岗石窟、龙门造象、顺陵石狮、大足石刻、晋祠泥塑、故宫龙壁,皆稀世瑰宝。现代中国雕塑与壁画,继承和发展了民族优秀传统,兼收国外艺术精华,于世界艺坛中独树一帜。

值此中国雕塑壁画艺术总公司成立并编成这本内容丰富的画集之际,我荣幸地代表当代中国雕塑家、壁画家致以良好的祝愿。中国艺术家愿以自己的作品为本国和世界各国服务,促进各国人民相互了解,友好往来,让雕塑和壁画艺术之花盛开,将生活环境装点得更加美丽,给生活带来和平、幸福与鼓舞的力量,为历史留下这一代的足迹。

Foreword

The arts have been a symbol of human civilization since ancient times. Sculptures and murals are both arts vibrant with life. In the long cultural history of mankind they are epics represented in stone, bronze, colour and line.

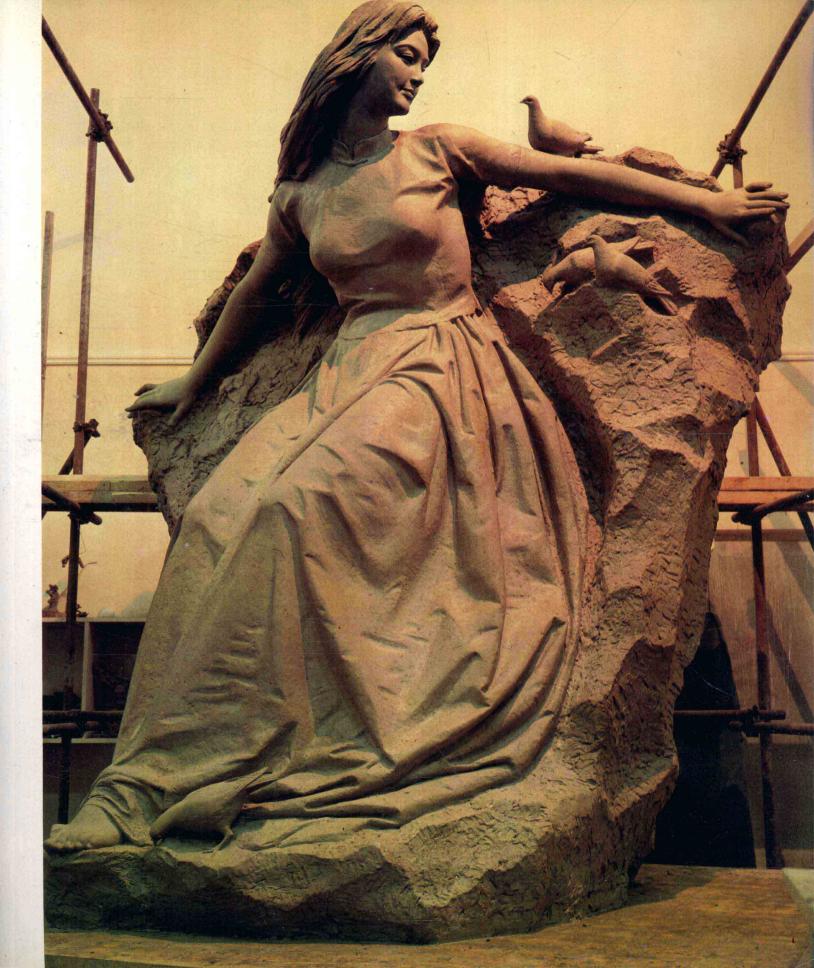

China has a long history. It boasts a wealth of marvellous sculptures and murals such as the life-size Qin Dynasty terracotta figurines of warriors and chariots in Xi'an, the frescos in Dunhuang, the Yungang grottoes, the Longmen statues, the stone lions in Shunling Tomb, the Dazu stone carvings, the clay sculptures in the Jin Dynasty Memorial Temple, and the dragon-patterned walls in the former Imperial Palace in Beijing—all gems in the art treasure-trove of the nation. Modern Chinese sculptures and murals have inherited and carried on the fine traditions of Chinese art and also assimilated the cream of foreign arts to evolve a unique style of their own.

On the occasion of the inauguration of the Sculptural and Mural Art Company and the publication of this splendid picture album, I have the honour to express my best wishes on behalf of my contemporary Chinese sculptors and muralists. Chinese artists are willing to serve China and other countries with their works and promote understanding and contacts between peoples of various countries.

May the flowers of our sculptural and mural arts bloom in full glory so as to beautify our environment, bring peace, happiness and inspiration to our lives, and let artists of our generation leave their footprints in history.
