掌握程度 确认目标

每单元循序渐进地以句子难易度编排，由浅入深，读者可依难易度轻松掌握自己的程度，确认学习进度及目标。

Learning a foreign language is a huge, difficult task. Unlike a lot of skills (driving and operating a machine, for example), becoming fluent in another language is an extremely time-consuming job that requires a high level of commitment and practice. In short, it's a big job.

Fortunately, help is available. Well-written and organized educational material can go a long way towards making life less of a struggle for those studying English. With this book, the editor and I have created a comprehensive, effective tool designed to greatly assist and stimulate your learning experience.

The book deals with a large variety of practical, everyday vocabulary that you will encounter and use in English-speaking environments. Whether you are a low-level, intermediate or even upper-intermediate English speaker, this book can help you. The content is divided into different levels to make it easier for you to determine which words and phrases are more relevant to your needs. To make the key words and phrases more meaningful, they are presented in full sentences. In addition, the book features intonation marks to help you pronounce the vocabulary like a native English speaker. Not only is the book a valuable learning tool, it can act as a type of conversation dictionary in which you can look up vocabulary according to the different topics when necessary.

While learning English is indeed more

challenging than most other activities you will engage in, developing a logical, consistent plan helps a lot. I recommend establishing a goal of learning a set number of words per week (make it realistic, though, depending on your time). Try and maintain a regular schedule to keep the momentum of studying going. Make flashcards for words you really want to add to your vocabulary (English on one side, Chinese on the other). Review them. Let me say that again: Review them. I should probably say that again, but I think you get the point. Also, listen to the MP3 files to further enhance your pronunciation ability. Read along with the book and record yourself – then play it back to see if you are saying the words correctly.

My editor tells me this is the biggest conversation book to hit the market (with the longest MP3 complete with Chinese translations). So, if you've purchased this book, I can tell you're an ambitious learner committed to improving your vocabulary knowledge. You've got the right attitude. All you need to do now is take the necessary action and remain dedicated to improving your English ability.

外语学习是一项既艰难又浩大的任务，它不像开车或操作机器般一旦学会了就终生难忘；要说得一口流利的外语，除了需要长时间的学习之外，投注精力练习也是其中一个关键。总之，外语学习不是一件简单的工作。

幸运的是，我们可以获得很多帮助。好的学习教材可以让我们在英语学习这条路上走得更顺畅。我所撰写的这本《**终极英语会话 8000 句放口袋**》是一本易懂且非常有用的工具书，可有效地帮助读者学好英语。

《**终极英语会话 8000 句放口袋**》包含各式各样每天都会用到的单词和句子，这些单词就算在英语系国家也是非常实用的。不论你的英语程度是初级、中级，还是高级，这本书都能帮助你提高英语能力。每个单元的单词都依照难易度用星号分类，让你能够很轻松地依照自己的程度和需求确认学习目标。为了让读者能够灵活运用单词，本书特别把句中关键词提出并标注词性解释，不仅可以学习英语会话，还能了解单词的用法。此外，本书特别在句子上标注轻重音及尾音提示，帮助你有一口老外般的口音。这本书不仅仅是一本有价值的会话书，它也可以是一本让你依照各种主题查找句子、单词的会话词典。

虽然学英语比其他任何一种活动都还来

得有挑战性，但是如果订下一个合理并能持续的学习计划，帮助是非常大的。我建议每周背一些单词（依照个人时间及可行性）。试着按照计划一步一步学习，才能维持动力。用单词卡记忆你真的想记下来的单词（一面写英文，一面写中文）。要复习单词。我再说一次：一定要复习单词。我想再说一次，但我想你们应该很清楚了。另外，听 MP3 也能加强你的发音能力。边看书边念，并且把自己的声音录下来自己听以确认自己是否发音正确。

我的编辑告诉我这本书将会是市场上最丰富的一本会话书（包含最长的 MP3 及中英文对照）。因此，如果你打算购买这本书，你真的是一位有着正确态度并且非常上进的英语学习者。你所需要的除了这本书之外，就是持续不懈地学习英语。
