1898年，拉斯克尔初到芝加哥时，这座城市已有将近200万居民。这里是中西部的船运中心，是全北美移民比例最高的城市，也是全美国广告公司最集中的城市之一。

上：洛德暨托马斯公司的标语令拉斯克尔困惑不解。究竟什么才是“明智广告”？

右：洛德暨托马斯公司无法对拉斯克尔的问题给出满意的解答，只得宣传其排版工艺与设计技术。

下：洛德暨托马斯和当时的多数广告公司一样，只是将客户的商标名称尽可能多地展示给适宜的受众群体。范·坎普的这则早期广告恳求消费者：“来一点儿吧。”（范·坎普广告的转载已由版权所有者康尼格拉集团授权。）

DEAFNESS

AND HEAD NOISES RELIEVED BY USING
WILSON'S COMMON SENSE EAR DRUMS.

New a simple invention, entirely different in construction from all other devices. Assist the deaf where all other devices fail, and where medications has given no relief. They are safe, comfortable and tiny. *Solid*, have no wire or string attached. Write for pamphlet.

WILSON EAR DRUM CO.
Q. J. Merton this Magazine. LOUISVILLE, KY.

雄心勃勃的拉斯克尔想帮助洛德暨托马斯公司将投放广告的佣金提高至 15%，因而决定尝试一下更具张力与说服力的广告文案。他请求公司老板给他机会，允许他重新设计威尔逊助听器公司的广告，他们同意了。经拉斯克尔修改之前的广告（上图）主要依靠大胆的标题和似乎很专业的插图来说服消费者。拉斯克尔修改之后的广告（右图）包含一张公司老板乔治·威尔逊的照片（拉斯克尔后来称他像是“有史以来最聋的人”）以及一篇宣传威尔逊新发明各项益处的长篇幅文案。这则广告收效甚佳，威尔逊于是将广告经费从每月 2 000 美元提高至每月 6 000 美元，并同意支付 15% 的佣金。拉斯克尔所作的修改是将“耳聋”改为“治愈耳聋”，这预示了他后来在广告业作出的重大变革。

DEAFNESS CURED

Louisville Man Originates a Simple Little Device That Instantly Restores the Hearing--Fits Perfectly, Comfortably and Does Not Show.

190-PAGE BOOK FREE TELLS ALL ABOUT IT

Since the discovery of a Louisville man it is no longer necessary for any deaf person to carry a trumpet, a tube, or any such old-fashioned device, for it is now possible for any one to hear perfectly by a simple invention that fits in the ear and can not be detected. The honor belongs to Mr. George H. Wilson, of Louisville, who was himself deaf, and now hears as well as any one. He calls it Wilson's Common Sense Ear Drum, is built on the strictest scientific principles, containing no metal of any kind, and is entirely new in every respect. It is effective even when the natural ear drums are partially or entirely destroyed, perforated, scarred, relaxed, or thickened. It fits my ear from childhood to old age, and, aside from the fact that it does not show, it never causes the wearer irritation, and can be used with comfort day or night.

It will cure deafness in any person no matter how acquired, whether from catarrh, scarlet fever, typhoid or brain fever, measles, whooping cough, gathering in the ear, shocks from artillery, or through accidents. It not only cures but stays the progress of deafness and all roaring and buzzing noises.

Let every person who needs this at once send to the company for its 190-page book, which you can have free. It describes and illustrates Wilson's Common Sense Ear Drums and contains many bona-fide letters from numerous users in the United States, Canada, Mexico, England, Scotland, Ireland, Wales, Australia, New Zealand, Tasmania, India. These letters are from people in every station in life—clergymen, physicians, lawyers, mechanics, society ladies, etc.—and tell the truth about the benefits to be derived from the use of this wonderful little device; you will find among them the names of people in your own town or state, and you are at liberty to write to any of them you wish and secure their opinion as to the merits of the only scientific ear drums for restoring the hearing to its normal condition.

Write today and it will not be long before you are again hearing. Address for the free book and convincing evidence, Wilson Ear Drum Co., 1239 Todd building, Louisville, Ky., U. S. A.

Let this Machine do your Washing Free.

There are Motor Springs beneath the tub.

These springs do nearly all the hard work, when once you start them going, the washing machine works as easy as a bicycle wheel does.

There are slats on the inside bottom of the tub.

These slats act as paddles, towing the water in the same direction you revolve the tub.

You throw the soiled clothes into the tub first. Then you throw enough water over the clothes to float them, then you put on the heavy wooden cover on top of the clothes, and cover them, and to press them down.

This cover has slats on its lower side to grip the clothes and hold them from turning around when the tub turns.

Now, we are all ready for quick and easy washing.

You grasp the upright handle on the side of the tub and, with it, you revolve the tub one-third way round, till it strikes a motor-spring.

This motor-spring throws the tub back till it strikes the other motor-spring, which in turn throws it back on the first motor-spring.

The machine will then have a little help from you, at every swing, but the motor-springs, and the ball-bearings, do practically all the hard work.

You can sit in a rocking chair and do all that the washer requires of you. A child can run it easily full of clothes.

* * *

When you revolve the tub the clothes don't move. But the water moves like a mill race through the clothes.

The paddles on the tub bottom drive the soapy water THROUGH and through the clothes at every swing of the tub. Back and forth, in and out of every fold, and through every mesh in the cloth, the hot soapy water runs like a torrent. This is how it carries away all the dirt from the clothes, in from six to ten minutes by the clock.

It will wash dirt out through the meshes of the fabrics WITHOUT ANY RUBBING, without any WEAR and TEAR from the washing-board.

It will wash the finest lace fabric without breaking a thread, or a button, and it will wash a heavy, dirty carpet with equal ease and rapidity. Fifteen to twenty garments, or five large bed-sheets, can be washed at one time with this "1900" Washer.

A child can do this in six to twelve minutes better than any able washer-woman could do the same clothes in TWICE the time, with three times the wear and tear from the washboard.

This is what we SAY, now how do we PROVE it? We send you our "1900" Washer free of charge, for a full month's trial, and we even pay the freight out of our own pockets.

No cash deposit is asked, no notes, no contract, no security.

You may use the washer four weeks at our expense. If you find it won't wash as many clothes in FOUR hours as you can wash by hand in EIGHT hours you send it back to the railway station—that's all.

But, if you like to use it, you are convinced it saves HALF the time in washing, does the work better, and does it twice as easily, as it could be done by hand, you keep the machine.

Then you mail us 50 cents a week till it is paid for. Remember that 50 cents is part of what the machine saves you every week on your own, or on a washer-woman's labor. We intend that the "1900" Washer shall pay for itself and thus cost you nothing.

You don't risk a cent from first to last, and you don't buy it until you have had a full month's trial. Could we afford to pay freight on thousands of these machines every month, if we did not positively KNOW they would do all we claim for them? Can you afford to be without a machine that will do your washing in HALF THE TIME, with half the wear and tear of the washboard, when you can have that machine for a month's free trial, and let it PAY FOR ITSELF? This offer may be withdrawn at any time it overcrowds our factory.

Write TO-DAY, while the offer is still open, and while you think of it. The postage stamp is all you risk. Write me personally on this office, J. K. F. Bieber, General Manager of "1900" Washer Company, 155 Henry St., Binghamton, New York.

Are You Chained To The Wash Tub?

Whether a housekeeper does her own washing or not the worry and work connected with "Blue Monday" literally chain her to the Wash-Tub. We can sever the chain. Let us send you the

"1900" Ball Bearing Family Washer

FREE TRIAL Freight prepaid. No money or promise of any kind is required. Order for thirty days, then if you do not wish to purchase return it at our expense. **Washing the clothes both ways.** Unlike all other washers, the "1900" sends the water through the clothes and washes them absolutely clean in six minutes with no wear or tear on the garments or the operator. Perfectly adjusted Ball-Bearings do the same for it as for the bicycle—make it work with little effort.

IT IS ABSOLUTELY FREE TO YOU FOR THIRTY DAYS

在洛德暨托马斯实习仅几周，拉斯克尔就得到了登门拜访鲁宾斯与马布尔公司的机会，该公司生产婴儿针织内衣。年纪轻轻的拉斯克尔用英语向鲁宾斯作了介绍，但这位公司创始人却极尽鄙视、不屑一顾地说：“他们以为我做的是婴儿生意，所以就派个乳臭未干的小孩来敷衍了事！”拉斯克尔于是又用德语重复介绍了一遍，鲁宾斯立即为之折服。

新奇士是洛德暨托马斯最重要的客户之一。拉斯克尔说服加州果农合作社旗下的6 000名果农团结起来，使用“新奇士”统一品牌，随后又利用一系列巧妙的营销策略（右图及下图）促进了加州橙子与柠檬的销售。（“新奇士”是新奇士公司的注册商标。广告转载已由版权所有者新奇士公司授权，未取得新奇士公司的明确书面许可，不得擅自使用或重复使用。）

**Why I
Changed to
Van Camp's**

A woman telephoned this story to a friend:

"Summer came and I wanted some ready-cooked meals. Meat was high, and I knew that Beans were even more nutritious.

"But my home-baked Beans never appealed to John, nor did the Beans I bought. Then I read in a magazine about Van Camp's — a new-style Pork and Beans.

"Of course, I was skeptical but I tried them. And now this dish which I rarely served is about our favorite dinner."

One woman states it that way. But a million housewives, if they would, could tell experiences practically identical.

VAN CAMP'S
BAKED WITH TOMATO SAUCE
Also Baked Without the Sauce
10, 15 and 20 Cents Per Can

The trouble is that no beans come more than half baked beans. Even then, the top beans crisp and the middle beans boil into mushiness.

Under-boiling makes them hard to digest. That forbids them to many. It lessens their delight with all. That is true of all beans not baked in one's own kitchen.

The Van Camp way leaves the Beans nicely and digestible, yet whole. The Van Camp sauce, which is baked with the Beans, gives them a wonderful zest.

This is this new-style dish, which has changed the entire aspect of Baked Beans. It has made Baked Beans four times as popular as they were a few years ago.

Buy a can of Van Camp's Beans to try. If you do not find them the best you ever ate, your grocer will refund your money.

上：拉斯克尔的第二位杰出文案克劳德·霍普金斯为洛德暨托马斯接连撰写了不少成功文案。

左：霍普金斯在洛德暨托马斯的第一份工作是将范·坎普的猪肉菜豆罐头与竞争对手的产品区别开来。在这一次及其后的营销活动中，霍普金斯对一个稀松平常的生产环节大肆宣传，令这款产品听起来与众不同，成了驱使消费者购买产品的一个“购买原因”。在随后几十年里，“购买原因”式广告逐渐演变为“特殊推销提议”。（广告转载已由版权所有者康尼格拉集团授权。）

Better than jewels —that schoolgirl complexion

The girl with a clear, smooth skin, radiant with freshness and natural color, should leave jewels to those less fortunate. The charm of a perfect natural complexion attracts far more than elaborate dress and ornaments.

If your complexion lacks the beauty which women envy and men admire, don't depend on clothes and jewelry to draw attention from its defects.

Every woman can transform her bad complexion into a good one, for alluring freshness and clear color isn't a gift of Nature, but a matter of care.

How to have a perfect skin

No girl need be inferior, even a schoolgirl complexion, for improvement is simple and easy. Daily cleansing, gentle but thorough, is the secret.

You must use soap, for nothing else will remove the dirt, oil and perspiration which collect in the pores and cause most skin trouble.

Choose Palmolive, because it is a friction smoothing, Marsh soap should never be used for washing the face.

Massage the smooth, creamy lather gently into the face until it removes all clogging deposits. Don't forget your neck and throat. They are as conspicuous as the face for any lack in beauty.

Take a lesson from Cleopatra

With a world of ancient beauty arts at her command, she depended on cleansing with Palm and Olive oils to protect, improve and preserve the freshness and smoothness of her skin.

Careful rinsing leaves the skin stimulated, refreshed and free from the accumulation which enlarges the pores, causes blackheads and carries infection.

Blended from the same oils

Palmolive Soap is blended from the same smoothing oils which adorned the sumptuous marble baths of Egyptians, Greeks and Romans.

But although very expensive, the gigantic volume in which Palmolive is produced keeps the price very low. Users profit by Palmolive popularity. The Palmolive factory works day and night, and the importation of the rare oils in vast quantities, allows us to make a finer facial soap for the modest price of 10 cents—no more than ordinary soaps.

1911年，密尔沃基市约翰逊肥皂公司将一款鲜为人知的香皂交给了洛德暨马斯公司。基于他们在直邮广告方面的经验，拉斯克尔和霍普金斯为将棕榄香皂推向全美各地的药店构思了一系列促销活动。不出几年，棕榄香皂便成为世界上最畅销的香皂。1916年，B·J·约翰逊将公司更名为棕榄公司。（广告转载已由高露洁棕榄公司授权。）
