前 言

攝影是現代科學技術發展的產物。當攝影用來作為創造藝術作品的手段，反映現實生活，抒發思想感情，給人以美感享受時，便成了一門新的藝術——攝影藝術。

攝影藝術可以真實地記錄時代的潮流和歷史的風雲，表現人物的自然神態，生活的現場氣氛，自然界的美景。以及各種精彩的瞬間。攝影藝術已經成為最受人喜聞樂見的並具有生命力的一門藝術。

這本《中國攝影藝術作品選》就是展示這門新興藝術在中國沃野上發展的情況。

近幾年來，中國的攝影藝術出現了欣欣向榮的景象，可以說已達到了初步的繁榮。許多新老攝影家創作出不少優秀攝影作品。攝影作品的題材、體裁也大大開闊了。更令人高興的是，攝影隊伍有了很大的發展。新人輩出，成績喜人。

這幾年，國際間的攝影交流活動，也日趨活躍，無疑這對增進各國人民之間的了解與友誼，起了良好的作用。

我們這本作品選，如果能夠引起國內外同行們和朋友們的興趣，並且得到各位的指正，那自然是非常令人高興的！

FOREWORD

Photography has come into being as a product of modern science and technology. But it is nowadays generally acknowledged as one of the fine arts, because it is used as a unique means of creation to reflect life and express feelings and it appeals to our sense of beauty.

Photography records the trends of the times as well as historical events. Human expressions, daily activities, the magnificence of nature, and even exciting instants that vanish in a flash, can all be preserved in good pictures. No wonder more and more people have come to appreciate this art of great vitality.

This collection of photos aims at displaying the development of the photographic art on the vast land of China.

The art of photography has flourished in the country in recent years. Both veteran and new photographers have created numerous outstanding works in a wide variety of themes and styles. It is also a pleasure to notice that enthusiasts for the art are increasing fast.

Meanwhile, contacts among photographers of different countries have also become more active and frequent. It has further enhanced their mutual understanding and friendship.

It is hoped that our collection will interest photographers as well as the general public both at home and abroad, and we shall be very much obliged to receive comments and criticism on it.

目 錄

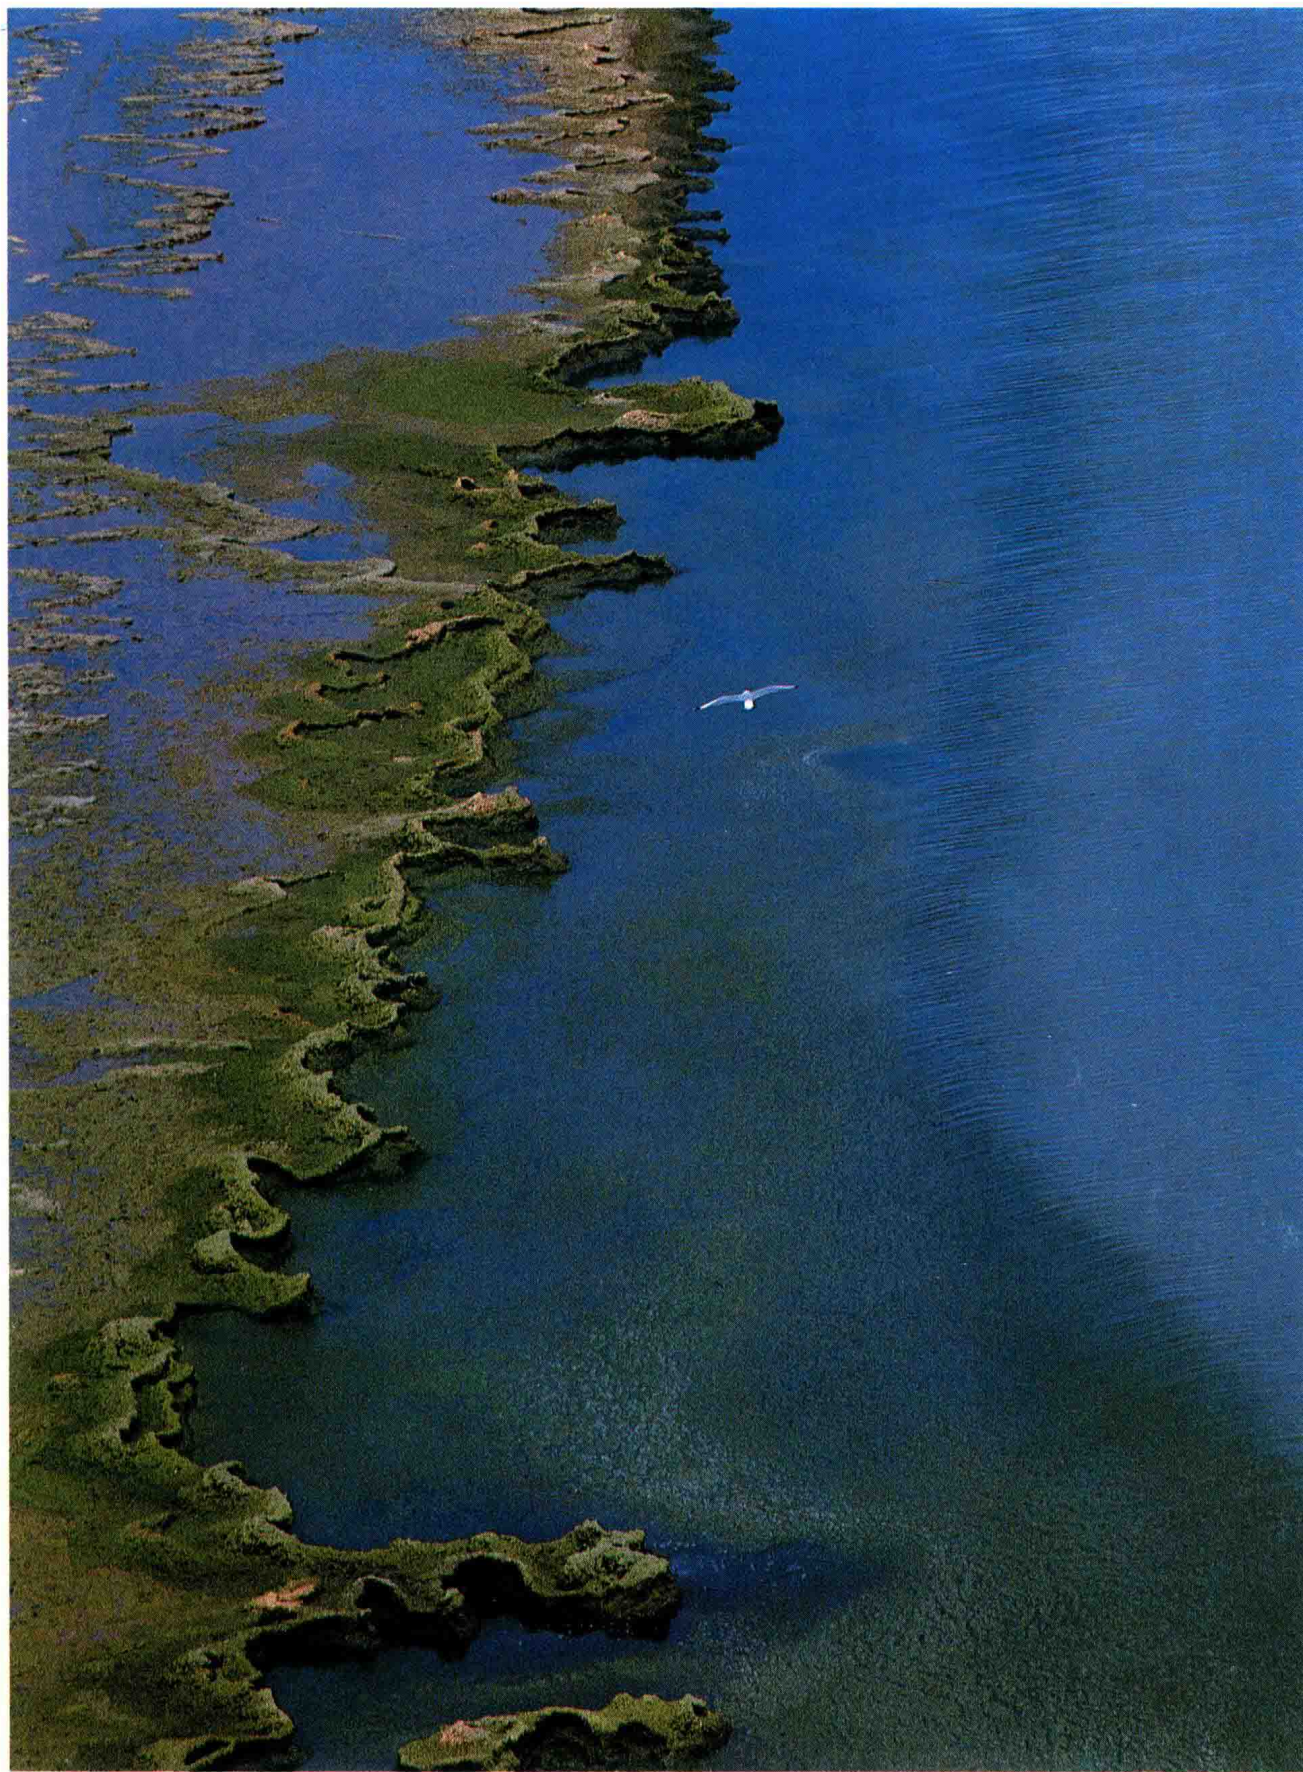

4	前言
