一名十多岁的男孩和他的爷

爷坐在一起,看着满月挂上中天。"该睡觉了。"爷爷说,"你们明天都还要早起。"

"爷爷,为什么我爸爸每天早上必须那么早去上班?"男孩问,"他几乎都没有时间吃早餐。"

"你爸爸必须辛苦工作,赚到足够的钱,这样你才有饭吃,有房子住啊。"

"为什么我妈妈也要那么早去上班?"男孩疑惑地问道。

A teenage boy sits with his granddad.

They are watching the full moon rise. "Time for bed," says Granddad. "You all have to get up early tomorrow."

"Why does my dad have to go to work so early every morning, Granddad?" the boy asks. "He hardly has time for breakfast."

" our dad has to work long hours to earn enough money so you have food on the table and a roof over your head."

"And why does my mom have to go to work so early too?" wonders the boy.

该睡觉了

Time for bed

付给他们更多的工资

To pay them more money

"为了挣钱买汽

车,载她上班啊,还要挣钱

买汽油呢。"

"那为什么爸爸和妈妈每天回家这么晚?"

"因为他们只有整天非常努力地工作,才能获得晋升。

而一旦得到晋升,他们又不得不更加努力工作,这 样才能证明付给他们更多的工资是公平

合理的!"

"To earn enough to pay for a car to get her to work, and have money for fuel." "And why do Mom and Dad get home so late every day?"

"Because they have to work very hard all day long to be promoted. And once they are promoted they will have to work even harder to show that it was justified to pay them more money!"

"爷爷,你觉得这样有意义吗?而且,为什么爸爸 现在要三天两头到国外旅行?"

"嗯,因为他升职了,他现在还需要负责其他国家的公司。" "为什么妈妈总是给我们买用糖、牛奶和小麦制作的便宜食物?"

"因为他们需要省下钱,去偿还他们的债务。"

"Does that make sense to you, Granddad? And also, why is dad travelling overseas so often now?"

"Well, as he has been promoted, he now needs to take care of business in other countries as well."

"Why is mom always buying us that cheap food that is full of sugar, milk and wheat?"

"Because they need to save money to pay all their debt."

省下钱去偿还他们的债务

save money to pay for all their debt

现在享受美好生活,以后再为此买单

The well now, pay for everything later

"可是,为什么他们一开始就要欠下这么多债务呢?"

"因为你的父母想现在就能及时享受美好生活,以 后再为这些享受买单。"

"但是,为了这些债务,他们几乎从来不在家!他们不得不整天工作,因为最终他们将付出更多的钱还债。即使他们回到家,也因为太累而不能陪我!所以,我的父母就像是在坐牢一样!"

"But why do they have so much debt in the first place?"

"Because your parents want to live well now.

And pay for everything later."

But with all their debt, and having to work so much harder because it costs them more in the end, they are never at home! And when they are home, they are too tired to spend time with me! So my parents are virtually in prison!"

"不,我的孩子,不要这么想。

你的父母都是自由的! 他们自愿做出这

种选择,是为了让你生活得更好。他们爱你,希望你拥有最好的生活。"

"我知道他们爱我,我也真的很感激他们为我做的一切。" "你的父母确实有债务,他们需要支付利息,但这样就可 以满足你的所有需要,让你顺利成长,拥有一个光 明的未来。"

"No, my boy. Don't think of it like that.
Your parents are free! Free to make choices
that will enhance your life. They love you and
want you to have the best.

"I know they love me, and I am really grateful for all they do for me."

"Vour parents do have debt and they do pay interest, but that is so you can grow up with all you need and have a bright future."

真的很感激他们为我做的一切

Really greatful for all they do for me
