前 言

曾经有人问: 地球上最辽阔的地方在哪里?

答案是:海洋。

曾经有人问: 比海洋辽阔的地方在哪里?

回答是:天空。

那么比天空更辽阔的地方呢?

那,就是人的心灵。

人的心灵,作为人类智慧与情感的基地,生发过多少瑰丽的诗篇;孕育出多少旷世的发明。她所具有的理解力、想象力、创造力,拓展出人类生存的 无限空间。

作为个人,他的经历、思想、情感在某时某地或某种特定情形下、所融合产生的能量,甚至是他自己都未曾意识到的。

认识高运甲同志的时间,不算太长,但对于他的"所作所为",总有许多感慨。身为领导干部,他在上情下达的琐碎之间,在履行公务的繁忙之时,竟 有闲暇挥毫丹青、咏诗作赋、还外带"高烧摄影",愈演愈烈。

这决非想像之功,也非常人之举。

也许,我们常常会为那些废寝忘食投身工作的楷模们喝彩,因为他们忘我的无私。除此,我们还应当为那些在克尽职守之余,依恋精神之旅的苦行者 助威,因为他们不倦的追求。

这里展示的是高运甲同志近年来创作的摄影作品。他是一位诗人、书法家,却又在努力实践着摄影家的梦想。看着这些汇聚着才情与汗水的作品,我 们似乎走进他心灵的另一个侧面。那些挚爱的目光、那些流连的神情、那些衷心的赞美,从他的作品中舒缓地流淌而出,令我们为这个热爱生命热爱生活 的心灵所感动。

这些偶得于匆匆旅途中的光影世界,比起摄影师们的佳作,虽然显得稚嫩,但其间对美的体贴、对善的关注、对真的执着,令人感受到一颗心灵的丰富。而对于生命而言,丰富的心灵是最为宝贵的财富。

FOREWORD

Somebody once asked, "what is the widest place in the world?"

The answer is ocean.

Then came another question, "what is wider than ocean?"

The answer is sky.

And then what is wider than sky?

That is human's heart.

As the base of wisdom and emotion, human's heart generates lots of beautiful poems and famous inventions. Understanding, imagination and creation of human's heart bring about endless living space for human beings.

It has not been too long since I got to know Mr. Gao Yunjia. The combination of his experience, thought and emotion produces incredible energy, which he himself did not sense it at all. But I am deeply impressed by what he did. As a leader, he has to devote himself to many practical and busy affairs. However, he can make full use of his spare time to do some paintings and poems and take some photos as well, which is really not easy for such a busy person as him to achieve it.

Perhaps we often cheer for those models who devote themselves to work because they are so unselfish. In addition, we should also acclaim for those who pursue some spiritual matters in their spare time because they persist in what they love.

This album collects photos taken by Mr. Gao Yunjia in recent years. Mr. Gao, a poet and a calligrapher, persists in his dream of being a photographer. By watching the photos full of his talents and efforts, we seem to enter another world of his mind. The lovely eyes, sentimental expression and heartfelt admiration flow quietly from his work. Who will not be touched by his heart of loving life?

Compared with excellent work done by photographers, these photos taken during Mr. Gao's busy tour may be not too professional. However, his understanding of heauty. his attention towards charity, and his persistence in sincerity display his rich and wide mind. As for any individual, to have an abundant heart is the m
