Preface

前言

托福考试(TOEFL)由美国教育考试服务中心(ETS)开发,用于测试母语为非英语的考生在校园环境中理解和使用英语的能力。托福考试是一种标准化英语水平测试。目前全球各地约有 4500 多所大专院校和相关机构要求学生入学时提供托福考试成绩。托福成绩也是获取奖学金的重要条件之一。对于准备出国深造的人,托福成绩将是获得签证的重要依据。

从 2005 年开始,托福考试作了一系列重大改革。改革后的托福测试,在时间、题型、考试方式及计分方法等方面都有相应变化。为了帮助考生全面、深刻地理解新托福的考试理念,掌握新托福考试的各种题型,从而在考试中以高分取胜,特组织工作在新托福教学第一线并具备语言测试专业知识的专家编写了这套“新托福全真模拟试题丛书”。

本套丛书别有新意地将托福考题的听力、口语、阅读、写作四个部分分成四本书编写,方便考生自己选择内容,有系统性和针对性地对听说读写这四个模块进行逐个攻破,易于考生使用和携带。

此外,本套丛书还具有如下的特色:

1. 试题的设计、编写完全以测试理论为指导,以美国教育考试服务中心(ETS)为新托福所制订的考试内容规范(test specifications)为依据,以新托福真题为蓝本,因此该模拟试题集从题型到试题的难易程度都达到了理论性和科学性的统一。

2. 试题的编写不仅严格遵循 ETS 新托福考试内容规范,而且还渗透了编写者学习英语的自身体会,融进了多年英语教学的经验。这对于广大考生无疑是非常宝贵的。

3. 试题的总体编排、体例框架、材料选择和文字表述都经过新托福测试专家和外籍专家的严格把关,从而使设计出的试题质量得到了保证。

4. 试题的听力文本、参考答案将使你在使用过程中得心应手,精美的写作参考范文方便你进行对比学习和借鉴。

本套教材不但有助于在短期内提高托福考生的应试能力,同时也可以作为英语专业学生的专项训练丛书。

感谢您购买和使用本套丛书。我们在编写上难免有疏漏和不足之处,恳请广大读者提出宝贵意见。

At some time in your life you may have a strong desire to do something strange or terrible. However, chances are that you won't act on your impulse, but let it pass instead. You know that to commit the action is wrong in some way and that other people will not accept your behavior.

Perhaps the most interesting thing about the phenomenon of taboo behavior is how it can change over the years within the same society, how certain behavior and attitudes once considered taboo can become perfectly acceptable and natural at another point in time. Topics such as death, for example, were once considered so upsetting and unpleasant that it was a taboo to even talk about them. Now with the publication of important books such as *On Death and Dying* and *Learning to Say Good-bye*, people have become more aware of the importance of expressing feelings of death and, as a result, are more willing to talk about this subject. One of the newest taboos in American society is the topic of fat. Unlike many other taboos, fat is a topic that American talk about constantly. It is not taboo to talk about fat; it's taboo to be fat. The "in" look is thin, not fat. In the work world, most companies prefer youthful-looking, trim executives to sell their image as well as their products to the public. The thin look is associated with youth, vigor, and success.

You have 20 minutes to plan and write your response. Your response will be judged on the basis of the quality of your writing and on how well your response presents the points in the lecture and their relationship to the reading passage. Typically, an effective response will be 150 to 225 words.

Question 1: Summarize the main points in the lecture you just heard, pointing out how they are related to the points made in the reading.

At some time in your life you may have a strong desire to do something strange or terrible. However, chances are that you won't act on your impulse, but let it pass instead. You know that to commit the action is wrong in some way and that other people will not accept your behavior.

Integrated Writing

Section	Question	Options	Options
Speaking	1 of 2	00 : 03 : 00 Hide	Volume Back Next Help

Friends play an important part in our lives and although we may take the fact of friendship for granted, we often don't clearly understand how we make friends. While we get on well with a number of people, we are usually friends with only a very few of them.

Moreover, a great many relationships come under the blanket term "friendship". In all cases, two people like one another and enjoy being together, but beyond that, the degree of intimacy between them and the reasons for their mutual interest vary enormously.

Initially, it depends on how people meet, and on favorable first impressions. As we get to know people, we take into account things like age, race, physical attractiveness, economic and social status, and intelligence. Although these factors are not of prime importance, it is more difficult to relate to people when there is a marked difference in age and background.

On a more immediate level, we are sensitive to actual behavior, facial expression, and tone of voice. Friends will stand closer together and will spend more time looking at each other than mere acquaintances.

Smiles and soft voices also express friendliness, and it is because they may transmit the wrong signals that shy people often have difficulty in making friends. A friendly gaze with the wrong facial expression can turn into an aggressive stare, and nervousness may be misread as hostility. Some relationships thrive on argument and discussion, but it is usual for close friends to have similar ideas and beliefs, to have attitudes and interests in common—they often talk about “being on the same wavelength”. It generally takes time to reach this point; sometimes people “click” immediately involved people become, the more they rely on one another. People want to do friends favors and hate to let them down. Equally, friends have to learn to make allowances for each other, to put up with irritating habits, and to tolerate differences of opinion.

In contrast with marriage, there are no friendship ceremonies, no rituals to strengthen the association between two people. But the mutual support and undemanding that results from shared experiences and emotions does seem to create a powerful bond, which can overcome differences in background, and break down barriers of age, class or race.
