Riley Andersen was a happy, hockey-loving girl living in Minnesota.

Joy was an Emotion who had been with Riley since the girl had first opened her eyes. Riley was usually driven by Joy.

莱莉·安德森是一个快乐的小女孩,她生活在明尼苏达州, 最喜欢的运动是打冰球。

乐乐是她的第一个情绪小人。自打莱莉一出生,乐乐就出现了。大部分时候,莱莉的情绪都由乐乐操控。

高频词

happy

高兴

girl

女孩

first

第一

But Joy was only one of the Five Emotions working inside Riley's head at Headquarters in Mind World. There was Fear, Disgust, Anger, and Sadness.

They had helped Riley since she was little. Each of them took turns at the console, guiding Riley through her everyday life.

但是, 乐乐并不是唯一的情绪小人, 在她工作的大脑控制中 心总部里, 还住着怕怕、厌厌、怒怒和忧忧四个情绪小人。

在莱莉还是小婴儿的时候, 他们就已经在这里工作了。每个 情绪小人都会轮流到控制台前操作,帮助莱莉顺利地度过每一天。

Sight Words

但是

five

Ŧ

since

自从…

Joy didn't understand what Sadness did—after all, wasn't being happy the point of everything?

But it was fine, because although all of the Emotions looked after Riley, Joy had run things for years. That meant that Riley was basically a happy kid.

忧忧带给莱莉的情绪和乐乐刚好相反,乐乐很不理解,为什么忧忧总是那么悲观。毕竟,做任何事都是为了快乐,不是吗?但是也还好,虽然每个情绪小人都会轮流照顾莱莉,可是乐乐陪伴她的时间最长。也就是说,莱莉是一个乐天派。

高频词 Sight Words

joy becal

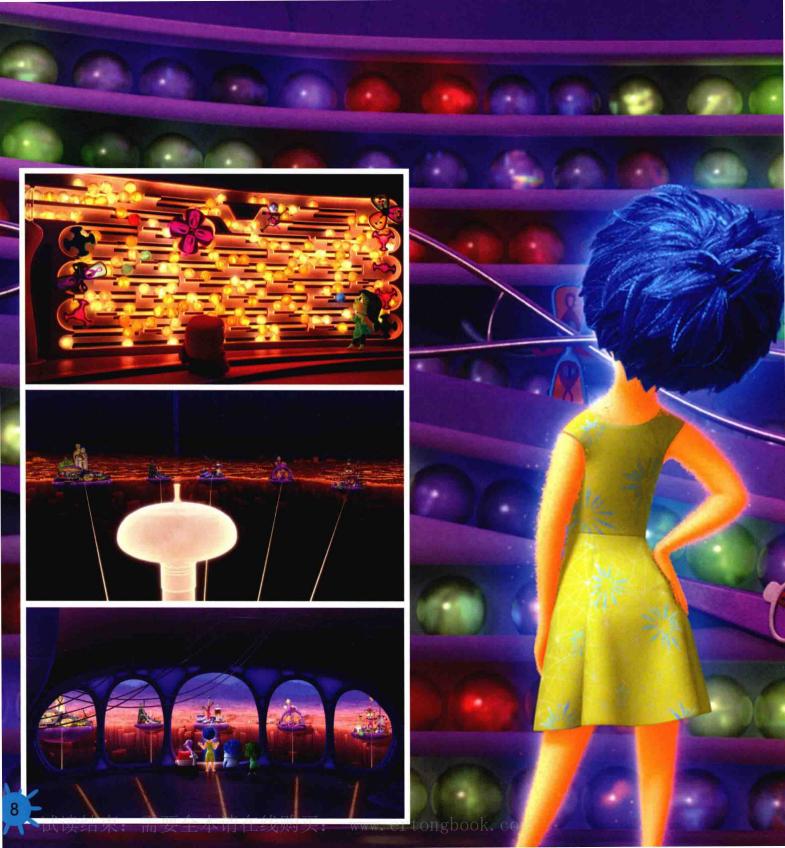

快乐

because

因为

kid

孩子

Each day, colorful memory spheres rolled into Headquarters. At the end of the day, the spheres were sent through tubes for storage in Long Term Memory at the edges of the Mind World.

The really important ones were called core memories. These stayed in a special holder at Headquarters and powered the five Islands of Personality. They were what made Riley . . . well . . . Riley!

每天,大脑总部会滚进各种颜色的记忆球。一天结束的时候,这些记忆球都会通过管道,被送到心理世界边缘的长期记忆里储存。

核心记忆球是所有记忆球里最重要的一种,它们存放在大脑总部里的一个特殊架子上,通过能量光束和五个个性小岛相连。就是这些核心记忆球造就了现在的莱莉!

高频词 Sight Words

each long

每,每一个

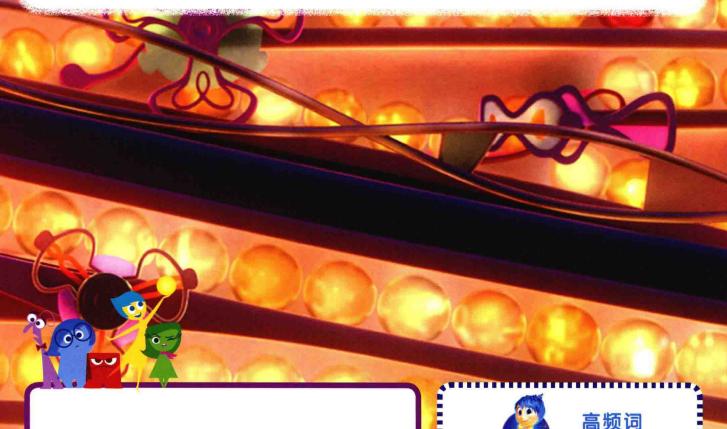

长,长的

made _制

^{制运} (make 的过去式)

Most of the arriving spheres were golden because they were happy memories. "Things couldn't be better," a satisfied Joy said softly. "After all, Riley is 11 now. What could go wrong?"

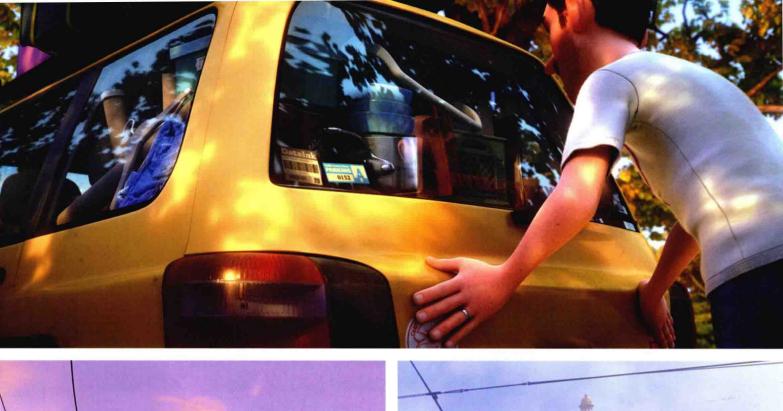

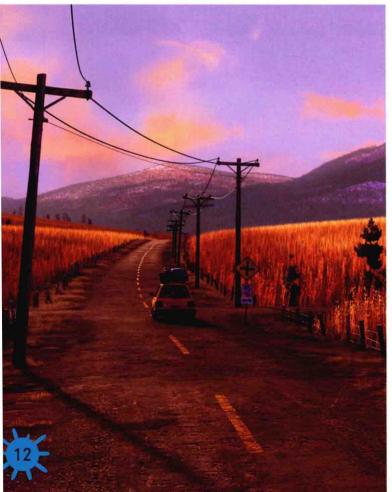

记忆管道中存放的大部分记忆球都是金黄色的, 金黄色代表快乐, 因为莱莉的童年过得很愉快。"每 天都快快乐乐的, 多好哇。"乐乐柔声说, 经11岁了,不会再出什么差错了。"

Sight Words

golden 金黄色,金色 softly 柔软地 wrong 错误,问题

Then things changed. Riley and her parents moved from Minnesota to San Francisco, California.

Throughout the drive, Joy kept Riley's spirits up—until Riley saw the new house.

但事情总是在变化。莱莉马上就要离开 明尼苏达州,和爸爸妈妈一起搬到加利福尼 亚州的旧金山市了。

一路上,乐乐都在鼓励莱莉打起精 神——直到莱莉看到新房子的那一刻。

高频词 Sight Words

changed saw

house

改变 (change 的过去式)

看 (see 的过去式)

房子
