THE LADY'S HAND

BOBBI SMITH

Author of *Lady Deception*

Cool-headed and ravishingly beautiful, Brandy O'Neal knows how to hold her own with the riverboat gamblers on *The Pride of New Orleans*. But she meets her match in Rafe Morgan when she bets everything she has on three queens and discovers that the wealthy plantation owner has a far from gentlemanly notion of how she shall make good on her wager.

Disillusioned with romance, Rafe wants a child of his own to care for, without the complications of a woman to break his heart. Now a full house has given him just the opportunity he is looking for—he will force the lovely cardsharp to marry him and give him a child before he sets her free. But a firecracker-hot wedding night and a glimpse into Brandy's tender heart soon make Rafe realize he's luckier than he ever imagined when he wins the lady's hand.

The Lady & The Texan

"A fine storyteller!"—*Romantic Times*

A firebrand since the day she was born, Amanda Taylor always stands up for what she believes in. She won't let any man control her—especially a man like gunslinger Jack Logan. Even though Jack knows Amanda is trouble, her defiant spirit only spurs his hunger for her. He discovers that keeping the dark-haired tigress at bay is a lot harder than outsmarting the outlaws after his hide—and surrendering to her sweet fury is a heck of a lot riskier.

AN INNOCENT WOMAN.
A WANTON LOVE!**

Renegade Heart

Madeline Baker

When beautiful Rachel Halloran took Logan Tyree into her home, he was unconscious. A renegade Indian with a bullet wound in his side and a price on his head, he needed her help. But to Rachel he was nothing but trouble, a man whose dark sensuality made her long for forbidden pleasures; to her father he was the answer to a prayer, a gunslinger whose legendary skill could rid the ranch of a powerful enemy.

But Logan Tyree would answer to no man—and to no woman. If John Halloran wanted his services, he would have to pay dearly for them. And if Rachel wanted his loving, she would have to give up her innocence, her reputation, her very heart and soul.

A COMANCHE WOMAN

"You gave up your stallion for me? Warrior was your pride and joy."

"It was the only way to free you."

She couldn't believe all this had taken place, and she hadn't even known about it. "What would have happened if you hadn't paid him what he asked?"

"I didn't want to find out."

"Oh." A tremble of fear went through her as she imagined Crouching Wolf being the one to take her as his wife. It wasn't a pretty thought. The knowledge that Hunt had sacrificed his most prized possession to save her thrilled her; yet she regretted that he'd had to give up so much for her. "I'm sorry."

"I'm not. I wanted you with me, so I could keep you safe. All that mattered was that Painted Horse believed you were my woman." His look was fiercely protective.

She felt the intensity of his regard and knew she had to ask. "Am I your woman, Hunt?" Her voice was soft and full of invitation.

Time stood still.

Was she his woman? Her question, so enticingly asked, sent a surge of excitement through Hunt. He stared at Glynna, thinking she had never looked more beautiful. Dressed as a Comanche maiden, she appeared innocent yet seductive, alluring yet elusive. He was hungry for her.
