Acknowledgments

It has been our pleasure to work with the contributors to this volume, and we thank them for their intellectual rigor, timeliness, and spirit of camaraderie. At Blackwell we wish to thank our commissioning editor, Emma Bennett; sharp-eyed copy-editor Felicity Marsh; and Louise Spencely, Rosemary Bird, and Jenny Phillips, who all pushed the project along at one point or another. We are also grateful to Professor Dave Grether and Susan Davis at CalTech, and to Jan Cox at Reading. Thanks, as always, to family and friends for encouragement, advice, and love.
