NOTICE TO READERS

Hong Kong Enterprise is a trade news magazine published monthly by the Hong Kong Trade Development Council.

Hong Kong Enterprise, or any part thereof, including illustrations and appendices, may not be reproduced without written permission from the Hong Kong Trade Development Council.

Publication of the name of any firm in Hong Kong Enterprise, whether in the body of the text or in any advertisement, is made in good faith and does not imply that the firm is accorded any special standing.

The products featured in the editorial and advertisements are traded in large commercial quantities for import, re-export and wholesale purposes. This magazine is not a mail-order catalogue.

The Hong Kong Trade Development Council accepts no responsibility, liability or obligation for any of the statements, photographs or illustrations appearing in advertisements in this publication. Inclusion of any particular advertisement is no guarantee that goods or services advertised therein have official approval. It is also recommended that normal commercial precautions be taken before any business is transacted with any advertiser. Correspondence concerning any alleged infringement of any design, copyright, patent, trademark or other intellectual property right should be addressed directly to the advertiser, not the Hong Kong Trade Development Council.

Readers of Hong Kong Enterprise who are interested in dealing with advertisers should communicate with them directly.

Essence of Stationery

Easyfil

A proven success of Climax's continuous effort on research and development – our new Easyfil writing instrument series and Easyfil notebook series show you the essence of stationery. Ergonomically designed writing instrument, including ball pens and roller pens, write up any article under the most natural grip. The latest Easyfil notebook series is the fruit of Climax's research endeavor. Varying styles cover designs entertain different market expectations, an effective way to obtain greater market share.
