總經理致辭

一九九一年是國際風雲急劇變幻的一年，是中國經濟呈現穩步增長態勢的一年，也是中國農墾發展信託投資公司事業取得長足進展的一年。在這一年中，公司資產規模年末余額達39.7億元人民幣，比上年增長109%，信貸和租賃規模增長44%，證券交易額達30億元人民幣，全面完成國家下達的商品住宅建設和出口創匯等各項計劃指標，全年實現利潤3,638萬元人民幣。一個以金融為主，具有綜合經營功能的國營大型聯合企業正在成長壯大。

中農信公司自成立以來，雖歷盡曲折坎坷，全體員工始終堅持深化農墾改革的公司初衷，堅持實事求是的實踐精神，堅持堅韌不拔的工作作風。這三點構成了公司文化的內核，值得發揚光大。

改革創新是公司生存與發展的基點。一九九一年，我們探索以投資基金方式引導鄉鎮企業按照國家產業政策調整產業結構，融資支持了各地農墾合作基金組織的發展及制度化建設，運用世界銀行中國農墾部門調整貸款，繼續支持了遍布15個省區的19個國家級農墾改革試驗區的建設，為建立新型的農墾投資融資體制，作出了有益嘗試。

老子雲：作而不辭，成功不居。中農信事業所以能夠發展，是順應中國改革开放的歷史潮流的結果，也是國務院、國家計委領導和各界朋友關心支持的結果。我們願與國內外金融組織密切合作關係，發揮金融中介服務作用，吸引更多的社會資金增加對農墾產業的投入，以我們跨世紀的一代追求，去實現中國農墾經濟建設跨世紀的宏偉藍圖。

MESSAGE FROM CATIC'S PRESIDENT

Dramatic changes had occurred in the world in 1991. That year had also seen a steady increase in China's economy and marked progress of CATIC. The corporation registered a business balance of 3,970,000,000 RMB yuan by the end of the year, a 109% increase over the previous year. Its credit and loan scale increased by 44% with bonds and securities trading reaching three billion RMB yuan. It had fulfilled or over-fulfilled various state quotas including the construction of commercial housing and foreign exchange earnings. CATIC's yearly profit reached 36,380,000 RMB yuan. A multifunctional, financial-centered conglomerate is growing up healthily.

Since its establishment, CATIC has encountered numerous difficulties. But the corporation has been able to make marked progress because its staff has persisted in adhering to deepening rural reform, to the spirit of seeking truth from facts, and to the hard-working perseverance. These three contents form the core of the corporation's work ethics and should be further promoted.

Reform and creativeness are the basis for CATIC's survival and growth. In 1991, we had experimented with the establishment of investment funds to guide village and township enterprises onto the state orbit of sectoral restructuring; supported the development and institutionalization of rural cooperative funds; and continued to assist the development of the 19 rural reform experimental zones in 15 provinces established with the World Bank loan for China's rural sectoral reform. These efforts have contributed to the establishment of a new rural investment and financial system in China.

The ancient Chinese scholar Lao Tzu said, "Work with persistent efforts, never content with past achievements." That CATIC can make marked progress in its various undertakings is the result of complying with the historical trend of reform and opening to the outside world, and the result of support granted by the state Council, the State Planning Commission and friends in various circles. It is our sincere desire to strengthen our cooperation with domestic and foreign financial institutions and play a more important role as an financial intermediary institution in attracting more funds from the society toward increased input into the rural sector. We are a generation to work into the next century and we will make our contribution to help realize the grand objective of China's rural prosperity in the next century.
