上海中建建筑设计院有限公司

SHANGHAI ZHONGJIAN ARCHITECTURAL DESIGN INSTITUTE CO., LTD.

公司简介

上海中建建筑设计院有限公司，成立于1984年，隶属于中国建筑工程总公司，是国家批准的拥有建筑设计甲级、装饰设计甲级、风景园林设计乙级、城乡规划编制乙级资质的综合性设计公司。公司是中国勘察设计协会和上海市勘察设计协会会员单位，并入选为中国2010年上海世博会建筑设计类九家推荐服务供应商之一。2011年，公司荣获中国勘察设计协会首批颁发的“诚信单位”荣誉称号。

公司专业从事公共建筑、居住建筑等各类工程设计，以及室内装饰设计、景观设计、规划编制和相关工程咨询服务。公司现有员工500多人，其中国家一级注册建筑师、一级注册结构工程师、注册规划师、国家注册设备工程师、国家注册电气工程师、注册咨询师、注册造价师合计约80余人。公司下设两个方案创作所、八个综合设计所和五个职能管理部门，在国内多个省市自治区设有分公司，并在海外设立了俄罗斯分公司。

公司长期面向海内外开展设计业务，先后与美国、加拿大、法国、比利时、香港等国家和地区的著名设计公司合作设计了多项工程，设计作品遍及国内二十多个省市自治区及海外的俄罗斯、阿尔及利亚等国家，有多项设计作品荣获建设部、上海市及中国建筑工程总公司的各类奖项。

公司较早通过了ISO9000质量体系认证。自2002年至今，公司先后与中国太平洋保险公司和中国人民财产保险股份有限公司签订了建筑工程设计责任险保险合同。多年来，公司无设计质量事故及诉讼事件发生。

公司将始终本着敬业、诚信、协作、创新的企业精神，恪守诚信原则，聚焦客户需求，为客户价值的提升呈现专业服务，为人居环境的改善描绘美好蓝图！

INTRODUCTION

Shanghai Zhongjian Architectural Design Institute Co., Ltd. (SZDI), subordinate to China State Construction Engineering Cooperation (CSCEC), was founded in 1984. It is a comprehensive design company and has the Class-A qualifications in construction engineering design and decoration design, Class-B qualification in landscape architecture design approved by the state, as well as Class-B qualification in urban planning. SZDI is the member of China Exploration & Design Association and Shanghai Exploration & Design Association, and one of the nine recommended Architectural Design Service Providers for Expo 2010 Shanghai China. In 2011, it was awarded "Corporation of Integrity" by China Exploration & Design Association (CEDA).

SZDI is specialized in various types of engineering design such as public buildings, residential buildings, etc, as well as interior decoration design, landscaping design, urban planning and related project consulting services. SZDI has 500 employees at present, including totally 80 National First-Class Certified Architects, National First-Class Certified Structural Engineers, National Certified Public Facility and Electrical Engineers, registered consultants and registered cost engineers. SZDI administers two Planning and Architectural Scheme Design Departments, eight Comprehensive Construction Engineering Design Departments, five Administrative Management Departments, a number of domestic branches and an overseas branch in Russia.

SZDI runs its business within the country and overseas, and has cooperated with well-known design companies in the United States, Canada, France, Belgium, Hong Kong and other countries or regions. These design works could be seen in most domestic provinces, municipalities or autonomous regions, and also in foreign countries just like Russia, Algeria, etc. Dozens of these projects were awarded Design Prizes by MOHURD, local government and CSCEC.

SZDI has passed ISO 9000 Quality System Certification in earlier time. Since 2002, it has signed liability insurance contracts for construction engineering design with China Pacific Insurance Company and PICC Life Insurance Company Limited. Over the years, there is no accident and lawsuit due to design quality.

SZDI will always value the corporate spirits of conscience, integrity, collaboration and innovation, and adhere to the principle of good credibility. Focusing on customer demand, we will provide professional service to promote clients' value, and drawing a beautiful blueprint for the improvement of human habitat.
