A large, bold, blackletter capital letter 'K' is shown. It is constructed within a square frame defined by thin black lines. The letter has a thick vertical stem on the left and a diagonal arm that curves downwards to the right. The background is a light gray with faint, larger-scale construction lines.

A large, bold, blackletter capital letter 'X' is shown. It is constructed within a square frame defined by thin black lines. The letter consists of two intersecting diagonal strokes that curve slightly at the ends. The background is a light gray with faint, larger-scale construction lines.
