序言 PREFACE

这是一方神秘而又美丽的人间仙境；

这又是一片神圣而又安谧宁静的仙佛世界；

这更是令俗世红男绿女梦萦神牵的向往天堂。

——普陀洛伽以她的慈水悲山，以她的灵光靖氛，以她普济苍生的襟怀与救苦救难的悲悯，吸引着海内外无数尘缘未了的生相。到“南海”去！是远隔万水千山的许许多多尘世男女的宿世夙愿，特别是自感深蒙观音佛祖启迪和恩泽的闽南信众，更以能到“南海”一行为荣为尊。为此，自古以来，两地因缘长结，源远流长。

11月17日~22日，第四届中国普陀山南海观音文化节举办期间，泉州市摄影家协会采访团一行24人，应舟山市摄影家协会邀请，有幸回访浙江舟山，进行为期五天的采访交流活动。采访团所到之处，受到了舟山市文联、舟山市摄影家协会、普陀山管理局及其所属各县区分会等基层影协的热烈欢迎和真诚款待。短短几天，闽浙两地摄影同仁交流互动，切磋互学，感同身受，心有所得。

采访活动自始至终融入第四届观音文化节浓郁的节日气氛之中：广场文化采风、敬奉佛骨舍利活动、千僧共祈和谐社会法会、僧俗放灯祈福、佛顶山朝圣……在这片弥漫着佛家靖氛的仙佛世界里，采访团成员们饱览普陀风光风情，真切感悟心灵日出，收获了真诚，收获了友谊，更收获了心灵净化的至臻善果。

法雨常霖，慈光普照。泉州摄影家们祈愿藉此佛国圣地游片羽吉光的采撷和汇集，敬奉自己的一瓣心香，以融入至真至善至美的和谐大社会中！

This is a fairyland on earth, mysterious and beautiful;

This is a world of celestial Buddha, divine, quiet and peaceful;

This is more of a paradise, which earthly men and women of various kinds have been yearning for.

—With her mercy and benevolence, divine light and serenity, as well as bosom and sympathy of delivering all living creatures from torment and relieving people of their sufferings, Pota Laka is attracting numerous “faces” from both China and abroad who have not broken free the bonds of this world. To “Nanhai” ! This is a long-cherished wish, going back to the previous incarnation, of lots and lots of earthly men and women, who are widely apart, especially those believers from South Fujian Province, who feel deeply indebted to enlightenment and favor bestowed by Buddhist patriarch of Kwan-yin. They feel still more honored to travel to “Nanhai” . Therefore, throughout the history, predestined relationship has been long established between both places.

From November 17 to 22, the Fourth China Nanhai Kwan-yin Cultural Festival in Mount Putuo was held. At the invitation of Zhoushan Photographers’ Association, the 24-person coverage delegation of Quanzhou Photographers’ Association had the honor to pay a return visit to Zhoushan, Zhejiang, for five-day coverage and exchange activity. Wherever the coverage delegation went, they were warmly welcomed and sincerely treated by Zhoushan Literary Federation, Zhoushan Photographers’ Association, Mount Putuo Administration, various county and district branches and photographers’ associations at the grass roots. Within the short period of several days, photography workmates from Fujian and Zhejiang exchanged ideas and learned from each other. They felt as if they had experienced something in person and got a fair knowledge.

Throughout the visit, the coverage activity was integrated into the strong festive atmosphere of the Fourth Kwan-yin Cultural Festival: collection of folk songs and cultural elements, pious worship of Buddhist bone sarira (relics left after the cremation of the Buddha or a saintly monk deposited in a stupa for worship), Buddhist ceremony of one thousand monks praying for a harmonious society together, monks and laities lighting strings of lanterns and praying for blessings, pilgrimage on the Foding Mountain... in this world of celestial Buddha permeated with Buddhist serenity, members of the coverage delegation feasted their eyes on the scenes and customs of Putuo, had a genuine feeling for the sunrise of the soul. They were sincere to each other, fostered friendship and received good results of a purified heart.

Dharma bestows bounties and benevolent light illuminates all things. Photographers from Quanzhou pray that on the occasion of this visit to the holy Buddhist land for cultural relics, they could offer respectfully a petal of spiritual fragrance, so as to integrate themselves into the greater harmonious society representing the true, the good and the beautiful!
