1. Remarks

- (1) This book contains mainly financial statistics. As for other economic statistics, those which are considered important are given.
- (2) Refer to "Economic Statistics Annual" (Research and Statistics Department, Bank of Japan), and "Foreign Economic Statistics Annual" (International Department, Bank of Japan) for long-term data.

2. Notes for Users

- (1) Calculation of Data
 Fractions of data compiled by the Bank of Japan are discarded for values, rounded off for indexes and percentages. Other statistics are usually rounded off.
- (2) Explanation of Symbols
 "0" nil or less than a unit.
 "—" no figures.
 "…" figures not available.
 "p" provisional figures.
 "r" revised figures.
 "△" in principle, payments or decreases.
 "B" no continuity between figures marked "B" and those there after.
- (3) A fiscal year refers to a twelve-month period starting in April.
- (4) Seasonal adjustment is made by the Bank of Japan based on the Bureau of Census method, unless the data are compiled and published by other statistics agencies.
- (5) Footnotes which could not be shown with corresponding tables due to spatial constraints are collected at the end of the book.

3. References

For any inquiries concerning the data in this publication, please apply directly to the institutions which compiled the original data and/or the following divisions of the Bank of Japan.
