XIAMEN MANDARIN GLORIOUS TEN YEARS

Ten years ago a deluxe hotel, beautiful and graceful, rised in wooded hills which afford panoramic Sea views of Xiamen. With its white-washed wall and blue tiles, pavilions, halls and Villas under the blue sky. This is Xiamen Mandarin Hotel that blends the gardens scenes, the style of local custom and classical beauty in harmony.

Over the ten years, Xiamen Mandarin has won widespread reputation for its comfortable deluxe facilities and first-class service. Making steady progress every year, it is now crowned with Fujian's first international four-star award and ranks among China's most famous hotels: It is not only a warm home for overseas and domestic tourists, but also acts as a window of Xiamen SEZ, thus making Xiamen, the island of egret, still more perfect and writing a brilliant page in Xiamen's tourism history.

On the occasion of celebrating the tenth anniversary of birth of Xiamen Mandarin, we would dedicate this picture album to those who have endured all kinds of hard-hips and made arduous efforts to construct it, to all the staff who have made the hotel win a high social reputation and economic results by contributing their wisdom and hard work, and to those leading members and friends who have shown their concern and support and helped to bring about its success.

With the publication of this commemorative book, the "Xiamen Mandarin People" have entered the second decade. Racing with the tide, they are writing a completely new historical book for the era, a book which should be more readable, more wonderful and more elegant.

Xiamen Mandarin Hotel is soaring. Its future will be still more glorious!
