庆祝 福建 中医 学院

40 华诞

中华人民共和国教育部

贺 信

福建中医学院：

值你院建院 40 周年院庆之际，谨向你们致以最热烈的祝贺。

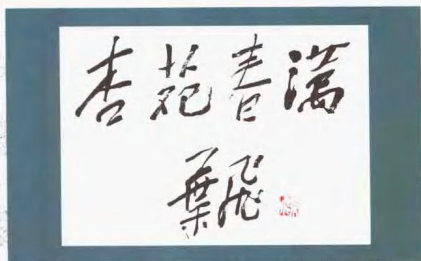

福建中医学院是我国较早建立的中医高等学府之一。40 年来，你校广大教职员在党的教育方针指引下，艰苦奋斗、辛勤耕耘，经过不懈努力，学校从无到有，从小到大，培养了大批优秀的高等中医药人才，为福建中医药事业的发展做出了积极的贡献。

改革开放以来，你们抓住机遇，开拓进取，加速了学校的建设和发展。教学改革不断深入，师资力量不断增强，教学设备不断改善，人才培养质量不断提高。你们注重创新和保持自己的特色，在中医骨伤学科等优势学科方面得到了长足进步，取得了一批科研成果。在医疗方面，你们救死扶伤，为广大人民群众解除病痛，为促进人民健康发挥了重要的作用。今天的福建中医学院已成为一所集教学、医疗、科研和生产开发为一体，在海内外有一定影响的高等中医药学府，并在加强海峡两岸交流，促进祖国统一方面做出了积极贡献。

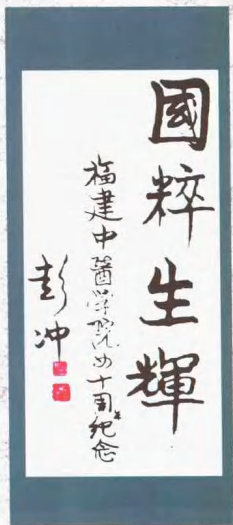

希望你校认真总结办学经验，立足人才培养，深化改革，不断提高综合办学实力和办学效益，为我国医药事业的繁荣和发展做出新的贡献。

学院简介

福建中医学院成立于1958年,是我国创办较早的高等中医院校之一。现是学士学位、硕士学位、博士学位的授予单位。院本部座落于福州市繁华地段五四路282号,占地约106200平方米,总建筑面积约108600平方米。

学院经过40年的建设与发展,已成为一所专业齐全,集教学、科研、医疗和生产、开发为一体,有较高教学、科研和医疗水平,在海内外有一定影响的高等中医药院校,是福建省培养高级中医药人才的基地和全省中医药教育、医疗和科研的中心。

学院现有9个系、部,9个本专科专业。其中中医骨伤科学专业和中西医结合医学专业为全国首创专业。中医骨伤科学为国家中医药管理局重点学科、博士授权点,同时,也是福建省政府“211工程”重点学科建设项目之一。全院有2个省级重点学科、11门省级优秀课程、3个省级重点实验室。现有1个博士点、10个硕士点,是全国三所有权免试推荐优秀应届本科毕业生为硕士生的中医院校之一,是具有开展在职人员以研究生毕业同等学力申请硕士学位的单位。1994年以来,我院先后与上海中医药大学、北京中医药大学、天津医科大学联合培养中医骨伤博士生,中西医结合博士生,眼科博士生。现在校各类学生规模3200人,教职员工、医护人员、科研人员近2000人。

学院中医药人才荟萃,拥有一批享有盛誉的学术造诣高、医疗经验丰富的专家、教授,其中高级职称341名、中级职称335名。有5名国家级老中医药专家学术经验继续指导老师,7名荣获国家级、省级有突出贡献的中青年专家称号,39名专家、教授享受国务院政府特殊津贴。

学院图书馆面积5300平方米,藏书21万册,其中台湾中医药图书3000余册。改造装修后的图书馆采用目前国内通用的WINDOWS-NT网络,实现图书自动化管理和图书、期刊全开架服务。

建院40年来,特别是近20年来,科研工作取得显著成绩。有229项科研成果获奖,其中国家级6项、省部级70项。目前在研课题200多项。经络研究、中医骨伤、舌水首图诊断早期食道、贛门癌以及台湾中医药文献检索研究等都达到国际国内先进水平。学院主编的出版物有《福建中医学院学报》、《福建中医药》、《高等中医教育研究》等。

学院下设海外、成人两个教育学院,两所附属医院,一所研究院和一家药厂。除此之外,我院在全省还有17所教学医院,设有102个临床教研室。

改革开放以来,福建中医学院利用中医特色和地理优势,积极开展对外教育和交流,目前在校留学生和港澳台生300多人,居全国中医院校前列。从1988年至1997年,共举办了八届“海峡两岸中医药学术研讨会”、五届国际性传统医学学术研讨会。到我院进修培训的有来自二十几个国家和地区100多批近500人次的学员。同时,学院也先后派出数十名专家、教授前往美、德、奥、日、新、马、韩、泰等十几个国家和台湾、香港等地区进行考察、讲学、医疗和学术交流,扩大了学院在海外的影响,为中医走向世界做出贡献。

近几年来,学院开展以创建“文明校园”活动为主要内容的精神文明建设,一个环境优美、宁静舒适的花园式的校园已初步形成。1997年学院被福州市委、市政府授予“安全文明小区”称号;1998年学院被福建省委、省政府授予“文明校园”称号。现在,学院正在全面贯彻党的十五大精神,努力实施学院建设与发展“九五”计划,不断加强学校的内涵建设,为早日把我院建成全国一流的中医药大学而努力奋斗。

General Information

Fujian University of Traditional Chinese Medicine, founded in 1958, is one of the early founded TCM universities of higher learning in China. Now the university confers bachelors' degree, masters' degree and doctoral degree. The university is situated in No.282 WuSi Road, the busy section of Fuzhou, occupying an area of 106200 square meters. It's building up area is 108600 square meters.

After 40 years' development, the university has established a national & international reputation for its teaching, research and medical care. It serves as the base for training senior TCM personnel and the centre of TCM education, medical care and research in Fujian province.

At present there are in the university 9 faculties and 9 specialties, among which orthopedics & traumatology and Clinics of Integrated TCM-WM are pioneers in China. TCM orthopedics & traumatology is a key discipline under the State Administration of Traditional Chinese Medicine and confers doctoral degree. It is also one of the development items of key disciplines supported by Fujian provincial government's "211 Project". The university has at provincial level 2 key disciplines, 11 excellent courses and 3 key laboratories. Now it has 10 master-degree programs and 1 doctorate program. It is one of the country's three TCM universities to be entitled to recommend excellent graduates for post graduate students without entrance examination. The university has been approved to carry out the training of persons in work to apply for masters' degree with the same educational level as post graduate students. Since 1994, the university in joint efforts with Shanghai University of TCM, Beijing University of TCM and Tianjin Medical University has enrolled post graduate students taking doctoral degree in TCM orthopedics & traumatology, integrated of TCM-WM, and ophthalmology. Now the university has 3200 students and nearly 2000 academic staff.

There are 341 professors, associate professors and 335 lecturers, teaching respectively at graduate, post graduate and secondary levels. Among them 5 have been entitled "national veteran TCM experts", 7 have been awarded the title of National (or Provincial) Expert with Outstanding Contribution to the Country (or Province)" and 39 have obtained special subsidy awarded by the State Council.

The university library has an area of 5300 square meters and a collection of 210000 volumes including 3000 Taiwan TCM books. It is now equipped with WINDOWS-NT circulation system, realizing automatic library management with open shelves service.

In the past 40 years, especially in the last 20 years, the university has won 229 various prizes for achievements in research at national level (6 items) and provincial level (70 items). At present, over 200 items of research are under way. The study of channels and collaterals, TCM orthopedics & traumatology, diagnosis of early esophageal and cardiac cancer by sonicgram of water swallowing and retrieval & study of Taiwan TCM literature have reached the advanced international level. The publications of the university are as follows; Journal of Fujian College of Traditional Chinese Medicine, Fujian Journal of Traditional Chinese Medicine, Researches on Higher Education of Traditional Chinese Medicine, etc.

Attached to the university are two hospitals, a research institute and a pharmaceutical factory, an Overseas Education College, an Adult Education College. In addition, the university has 17 teaching hospitals throughout the province with 102 clinical teaching and research sections.

Since the reform and opening to the outside world, the university has taken advantage of its characteristics and geographical location by conducting education to and exchange with the outside world. Now the university has over 300 students from Taiwan, Hong Kong and foreign countries on campus, ranking first among the universities of its kind in China. From 1988 to 1997, the university has held 8 times Symposiums on TCM across the Straits" and 5 times international symposiums on traditional medicine. About 500 participants in 100 groups from over 20 countries and regions have taken TCM courses in the university. The university has sent dozens of experts and professors overseas for visiting, lectures, medical care and technical exchange with Taiwan, Hongkong and over 10 foreign countries such as the United States, Germany, Austria, Japan, Singapore, Malaysia, South Korea and Thailand. This has extended the university's influence overseas and contributed for TCM entering into the world market.

Owing to the beautiful garden like campus & the attractive surroundings, the university was honored with the title of "Secure and Civilized Quarter" by Fuzhou Municipal Government in 1997 and "Civilized Campus" by Fujian Provincial Government in 1998. Inspired by the spirit of the 15th Congress of CPC, Fujian University of TCM is carrying out the university's ninth five-year plan of development and forging ahead toward the goal of national first-class university with its distinct characteristics.
