Bright City

瞩目：一颗璀璨的新星在东方升起！随着城市东扩步伐的加快，宁波东部新城建设正热浪朝天，明日的江东即将成为宁波的标志性区域。

这是新世纪百年一遇的大好时机，江东区迅速拉开城建框架，城区面积比1990年扩大两倍，城区面貌日新月异，世纪大道、滨江大道、百丈路、中山东路、兴宁路等主干道与高档写字楼、商埠、河流、绿地及景观和谐相衬，交互辉映，旺角街市繁华，商铺生意兴隆，处处车水马龙，呈现一派人杰地灵、商气旺盛的景象。

江东重视城市生态建设，将城市风貌、自然景观与人文景观有机融合，使得城市中绿色不断增多，生态环境得到较大改善，形成了颇具江南水乡灵性的宜居宜业城市新风采。江东天蓝、水清、地绿、景美，人均公路达到13.2平方米，随着青青藤小城、东海花园、新天地等一批高档社区不断建成，江东已成为宁波居家置业的首选之地。

A new bright star is rising
In east! With the acceleration of the
city development towards east, the new
eastern city zone is being constructed.
The future of Jiangdong will become the
landmark district of Ningbo.

This is the best development
chance. Jiangdong is fast spreading
its construction framework of city zone
development. The area of its city zone
increases two time than that in 1990. Many
arteries such as the Century Street, Binjiang Street,
Baizhang Road, Zhongshan Road and Xinning Road,
and high-grade office and shopping centers as well
as rivers, grassland set off each other and shows
booming and flourishing vision.

Jiangdong district emphasizes the environment
construction and combines the city scene, natural
landscape and human culture organically. Its per
capita greenery ratio reaches 13.2 square meters
and the district has its bluesky, clean water, green
land and beautiful scenery. Some high-grade
residential quarters have been finished and make
Jiangdong become the first choice for living.

During the course of urbanization, Jiangdong
has finished the works of transforming village to
neighbour community and township to sub-district
and become the first city zone without administration
village, and basically finish the reform of economy
holding corporation system and old village
reconstruction, set up new-type social guarantee
system and the deep merge of city and town is
further accelerated.
