## ENGLISH 120

*Grace H. Teng*

90027235

To my beloved people

獻給我所愛的同胞

## To Our Readers

*Dear Reader,*

*This book is a collection of short articles to help an average high school graduate pass the college entrance examination requirement on English Composition. The topics chosen were done at random and intended to cover a wide range. I have tried to limit the needed vocabulary to your level yet maintain continuity and exactness in expression of thought. Much of the material used in this book was drawn from the people I have met in Taiwan. I hope this book will give you some incentive to read and write English composition for pleasure rather than necessity throughout your life.*

*The Author*

## 給我們的讀者

7

親愛的讀者：

本書收集的作文在幫助一般高中畢業生克服大專聯考英文作文這一關。文章的題目，我都是隨興之所至挑出來的，其範圍則打算涵蓋廣闊的層面。我已盡量設法使文章中需要的字彙不超出各位的程度之外，並又能前後一貫地正確表達出我的想法。本書採用的許多資料取自我在台灣所認識的人們。謹望本書能使各位此後以興趣，而不是以需要，為學習英文的動機。

作者

## Acknowledgement

*To my husband and children I wish to express my sincere thanks for their encouragement, cooperation, and love. I also wish to thank my Chinese friends in the States. The encouragement of relatives and friends to write this book has made my stay in Taiwan rewarding. I especially wish to thank my English students who shared with me their thoughts and hearts. I am very grateful to Mr. Ming-yih Hoo and Li-chung Yang for their beautiful translation from English into Chinese, and also to the staff of Long-Bridge Publishing House for their hard work as well as imagination in making this book available. Finally, I wish to express my warmest thanks to the people of Taiwan whom I have met during the last three years.*

# Biographical Note about the Author

9

Grace H. Teng was born and raised in the United States, of second generation Chinese, and college-graduated in electrical engineering and computers. She had eight years job experience in accounting and engineering. Her husband is a native Taiwanese college professor; now they have two small children. She teaches English at Taiwan Telephone and Telegraph Institute in Pan-Chiao and also tutors English at home. She lived in a small fishing-and-farming village in Taiwan for one and a half years before moving to Taipei. Now her family is living in National Taiwan University area.
