修订版前言

普通高等教育“十五”国家级规划教材《新世纪高职高专英语》(综合教程)于2000年正式出版发行。由于该套教材充分利用国内外英语教学科研成果,全面体现高职高专英语教学规律,突出“五项创新”,深受广大师生欢迎。为了使这套教材更加完善,上海外语教育出版社组织我国四所高职名校,深圳职业技术学院、上海第二工业大学、北京联合大学和华东师范大学职业技术学院的英语骨干教师对教材进行了全面修订。我们利用调查表和座谈会的形式,广泛征求用户和专家的意见和建议,并按照教育部高等教育司颁布的《高职高专教育英语课程教学基本要求》,结合高职高专英语教学实际,在保留原有特色的基础上,对原教材做了较大幅度的改进和扩充。

本套《练习与测试》为配合《综合教程》(修订版)和高等学校英语应用能力考试(A、B级)而设计,共分十个单元。和初版的《练习册》相比起来,形式与内容有较大的调整和扩充,突出体现了巩固教学内容与训练学生应考能力并行不悖的双重功能,所以改名为《练习与测试》。每单元内容分为两个部分,第一部分(PART I)保留了初版练习册中以消化和巩固课堂教学内容为主的编排形式,如词汇填空,重点结构操练,介词和副词填空等项目。第二部分(PART II)是新编写的内容,为帮助学生准备参加PET考试而设计,即现在通称的PRETCO(Practical English Test for Colleges)考试。所有题型和题量的设计均以A、B级考试大纲和样题为依据。这部分设置为两个台阶。第一台阶(Step 1)以判断题为主,突出对基本词汇与结构的训练;第二台阶(Step 2)的题型主要是主观题的形式,加强培养学生的英语综合技能及实用能力。最后还增加了高等学校英语应用能力考试(PRETCO)A级和B级两套全真试卷供学生自测。所以修订版的《练习与测试》既能帮助学生巩固课堂所学内容,又为他们提供充分的应考材料和操练机会,使他们能够在训练有素的基础上积极应对全国PRETCO考试。教师可以根据学生的英语程度以及教学实际情况选择使用。书末附有第一部分和第二部分的参考答案。

本教材总主编为戴炜栋,副总主编为蒋秉章。

本册主编为孙佩君,副主编为吴迪。

参加编写的有:林萍英、安妮、范菁、黄光芬。

在修订统筹和编写过程中,我们自始至终得到杨自伍编辑的指导和帮助,在此谨表谢意。

由于编者水平有限,加之时间仓促,疏漏和不妥之处在所难免,恳请读者不吝指正。

A

B

difficulties every one of them has when they ask for his advice.

C

D

12. Read the following passages and choose the best answers.

Passage One

Dear Ms. Cooper:

Thank you for your order of January 2 for the versatile(多用途的) Whiteside microcomputer supplies and your check for \$1920. 50. The items are being shipped to you on January 15 via Roadway Express. With the additional advertising campaign now underway, you can look forward to increased sales because of the high demand for these quality office supplies.

To make ordering easier, why not apply for a credit account at Whiteside? Fill out, sign, and mail the enclosed background data form. As soon as the completed form is received, careful attention will be given to your request. Purchasing with a credit account will make your future ordering more convenient.

Take advantage of the exceptional savings offered in the enclosed mid-winter sales catalog. For instance, look on page 10 at the end-of-section offer for micro-computer floppy disks. You can enjoy savings from 10 to 40 percent by placing an order today.

You have made a wise choice in ordering from Whiteside Wholesale supplies. At Whiteside, you can select from a rich variety of dependable major brands. And you are guaranteed 100 percent satisfaction and prompt delivery! Welcome as a Whiteside customer.

Cordially yours,

Marcee Whiteside

Mail Order Manager

1. The purpose of the letter is _____.
A. to confirm an order with a customer
B. to persuade a customer to open a credit account

- C. to thank a customer for his recent order
D. to offer a discount to a regular customer
2. Why does the writer say that the customer has made a wise choice in ordering from his company?
- A. Because his company is carrying out a new advertising plan.
B. Because sales of the supplies have always been high.
C. Because they have improved their supplies to meet the customers' demand.
D. Because the order and supply of the products become more convenient.
3. In the letter, the addressee is asked _____.
- A. to provide some personal information
B. to send over a previously sent form
C. to pay attention to a special request
D. to open an account at a bank
4. In Paragraph 3, the writer _____.
- A. asks the addressee to place an order today
B. offers a discounted purchase to the addressee
C. requests that the addressee deposit some money in the bank
D. tries to sell the addressee a microcomputer
5. In the last paragraph the word "prompt" means _____.
- A. safe
B. convenient
C. quick
D. satisfactory

Passage Two

A friend of mine was in low spirits one day. He usually dealt with this state of mind by avoiding people until the mood passed. But on this day Fred had an important meeting with his boss, so he decided to put on a false front. During the meeting Fred smiled, joked and played the part of a happy, good-natured person. To his surprise, he soon discovered he was no longer depressed.

Without realizing it, Fred chanced to find an important new principle of psychological research: acting a part can help us feel the way we want to feel — more self-assured in a trying situation, more cheerful when things go wrong.

How can you put this principle to work in your own life? There's more involved than simply mimicking(模仿) a few expressions. You have to be systematic about it. Here's how:

Smile to cheer yourself up.

Relax to reduce anxiety or fear.

Look your best to increase your self-confidence.

Keep cool in a crisis.

Using our bodies and actions to change the way we feel can be a useful tool in help-

ing us through life's difficult times. As novelist George Eliot wrote more than a century ago, "Our deeds determine us, as much as we determine our deeds." People who remember that — and act it — can only be richer and happier for the experience.

1. In Paragraph 1, the phrase "to put on a false front" means _____.
A. to wear a wrong coat
B. to act a part unsuccessfully
C. to show a pretended happy appearance
D. to put on airs
2. According to Paragraph 1, Fred _____.
A. has very few spirits
B. has many spirits
C. is in a bad mood
D. is in a good mood
3. The word "mimicking" in Paragraph 3 most probably means _____.
A. learning quickly B. making faces C. behaving well D. imitating others
4. In the sentence "Look your best to increase your self-confidence", the phrase "look your best" means that you _____.
A. try your best to be calm
B. are watchful and careful
C. are in highest spirits
D. put on best clothes and behave well
5. In the last paragraph, the quotation "Our deeds determine us, as much as we determine our deeds" may show that _____.
A. actions speak louder than words
B. actions are very important for us to change bad moods for good
C. our feeling can not change our behavior
D. the more we do, the happier we are

Step 2

13. Practical reading.

Task 1

Directions: After reading the following material, you are required to complete the outline below it.

Numerous studies have shown that high-risk investors make more profits than low-risk ones. Over time the stock market rewards them for sticking their necks out, and sometimes getting them chopped off.

The classic high-risk investment is in shares in a small company which is perhaps newly listed on the stock exchange. Such a small company price might go up.

But, even those classic low-risk investments carry the risk that interest rates will rise and your money will be tied up at the lower interest rates at which you first invested.

This tells: high risk equals high return. If you want to maximize your savings, take some risk with at least some of your money.

Keep in mind: diversify(作多种投资), or spread your eggs into lots of baskets. This is partly so you won't be hurt too badly if one company falls over.
