PROLOGUE

A two-part film only has 120 minutes in the show, it condenses a lot of time, manpower, material resources. From the boot to the shutdown, you will find so many transfer of filming locations, so many impact action of grand operas and so many post-production of frame work. Nearly 180,000 frames gluttonous audio-visual feast can be called the exhibition of three thousand beautiful pictures. The dash of ink and the flicking of the story and the graceful text is written by film-makers such as Artistic Director and screenwriter, which is pleasing to the eyes of movie fans. With the complete context of the story and the perspective exists throughout the film, the exciting movie scenes are so attractive, the movie looks like a piece of paper film. Cruising through the Closed fate, Obscure Desire, Devoted Sacrifice and Fatal Resurrection, you will be gratitude for "only love is forever".

前言

一部电影，从开机到关机，一次次拍摄场地的转移，一场场重头戏份的落实，一帧帧镜头的后期制作，大量的时间、人力、物力全部凝结在一百二十分钟放映中。这一百二十分钟将近十八万帧的饕餮视听盛宴实则是三千幅精美图画的发展。我们依托剧情从中描摹几许画意，借之艺术总监、编剧等主创的曼妙文字，集结成册，寄托私情，以寄读者之心，悦影迷之目。完整的故事脉络和七尖三角贯穿始终，影片中精彩的一幕幕同样幻化到纸上，溢色生香，仿佛纸上电影，画卷在手，游历“动感心色”之中，感念“唯爱永恒”真义。

AS XIAO WEI / 小唯

她是有千年修行的妖狐，为救人而自毁妖灵，违反妖界规则，几百年来被封冻在寒冰地狱的冰湖中，直至被雀儿搭救。

一旦被寒冰地狱的冰舌抓回去，她将受到残酷处罚，连最低等的妖都做不成。除非，她能获得一颗“主动奉献”的最纯洁、最无私、最热情的人心，在日食之际脱胎换骨变成人——这只是妖界的一则古老传说，还没有一个妖把这一传说变成现实。

靖公主出现的那一刻，她明白，改变她命运的那颗心出现了。

她必须冷静而无情的实施自己的计划，日食之际若不能变身成人，她将魂飞魄散。

She is a millenia-old fox spirit who broke demon law by saving the life of a human. Since then, she has been imprisoned in a lake of ice as punishment until the bird spirit Que'r frees her.

If she is to be captured again, she will face endless torture and true death.

However, according to the legend if a pure human heart is freely offered to a demon at the moment of an eclipse, the demon can become a mortal and experience true life.

At the day she met Princess Jing, she realized that Jing is the one who can save her.

She must execute her plan precisely before the eclipse. Otherwise she will be sent back to the ice hell forever.
