画家简介

杨立军，二十世纪七十年代生于中国河北省乐亭县，承起画廊专职画家，号不言堂主人。其自幼喜欢画小动物，尤其对画猫情有独钟。

中国画的艺术魅力在于“似与不似”之间，源于生活而高于生活。画家通过对自然界中一切景象的悉心观察，将其神韵用画笔描绘出来，这即要有对于眼中世界的感悟，又要有娴熟的绘画技巧。因此，在中国要成为画家非一日之功，往往要到一定年纪方始成，而杨力军却以常人少有的专心和勤奋，加之其聪颖的睿智，较早地进入了画家的行列。

杨立军笔下的猫或腾跃奔跑、或睡卧戏耍，无不活灵活现、栩栩如生，极其传神。他的每一副画作都以猫拟人，富有生动情趣，表现出作者的匠心独具，充满着对生活的热爱。欣赏之余细细品味，另人忍俊不禁，美不胜收。

杨立军曾求教于著名画家“猫王”孙菊生先生。孙老先生对于画猫后继有人十分感慨，兴奋之时欣然命笔在立军画上添花题字，并不吝传教授予真功。著名书法家苏适、著名画家白伯骅也都分别为其作品题字。中国书法家协会副主席、著名书法家林岫为立军作品即情题诗：“日照风和竹径开，悠悠步得翠花台，回眸情可通人慧，信有灵犀一点来。”

杨立军作品分别被新华书画院、加拿大中国美术家协会等多家国内外专业机构收藏，并被新华社、今日中国国际友好发展促进会等单位作为外交礼品。

Yang Lijun, born in Leting County, Hebei Province in the 1970s, is a professional traditional Chinese painter who specializes in depicting small animals, especially cats.

The essence of traditional Chinese painting involves portraying the subject's charm with bold sketches. Meticulous painting and observational skills are required to reveal the artist's unique understanding and perception of the world. Therefore, traditional Chinese painters usually spend a long time in training before they become masters. The young Yang Lijun is a notable exception. With his intelligence and diligence, he has already earned a reputation as one of the country's best traditional Chinese painters.

Yang's pictures usually show lively cats, jumping, running, chasing or playing, revealing the artist's passion for life and love for the small creatures.

Yang Lijun studied under noted traditional Chinese painter Sun Jusheng, known as the Cat King for his superb feline paintings. The old artist is very proud of his protégé Yang Lijun. He has passed onto Yang many of his unique painting skills and sometimes wrote inscriptions for Yang's paintings. Other famed Chinese painters and calligraphers, such as Su Shi, Bai Bohua and Lin Youjun, have also inscribed his paintings.

Xinhua Painting Academy, the Canadian-China Artists Association and other domestic and overseas arts organizations all boast collections of Yang Lijun's work. What's more, the Xinhua News Agency and China Today (International) Friendship Development Promoting Committee have presented some of his pieces to foreign diplomats.
