My name is Sarah.

I'm a girl and I'm a
student.

你好

I like to study very
much.

There are my
teachers, my class
and my school.

This is my home.

Now I'm in my
bedroom.

It is small, but nice.

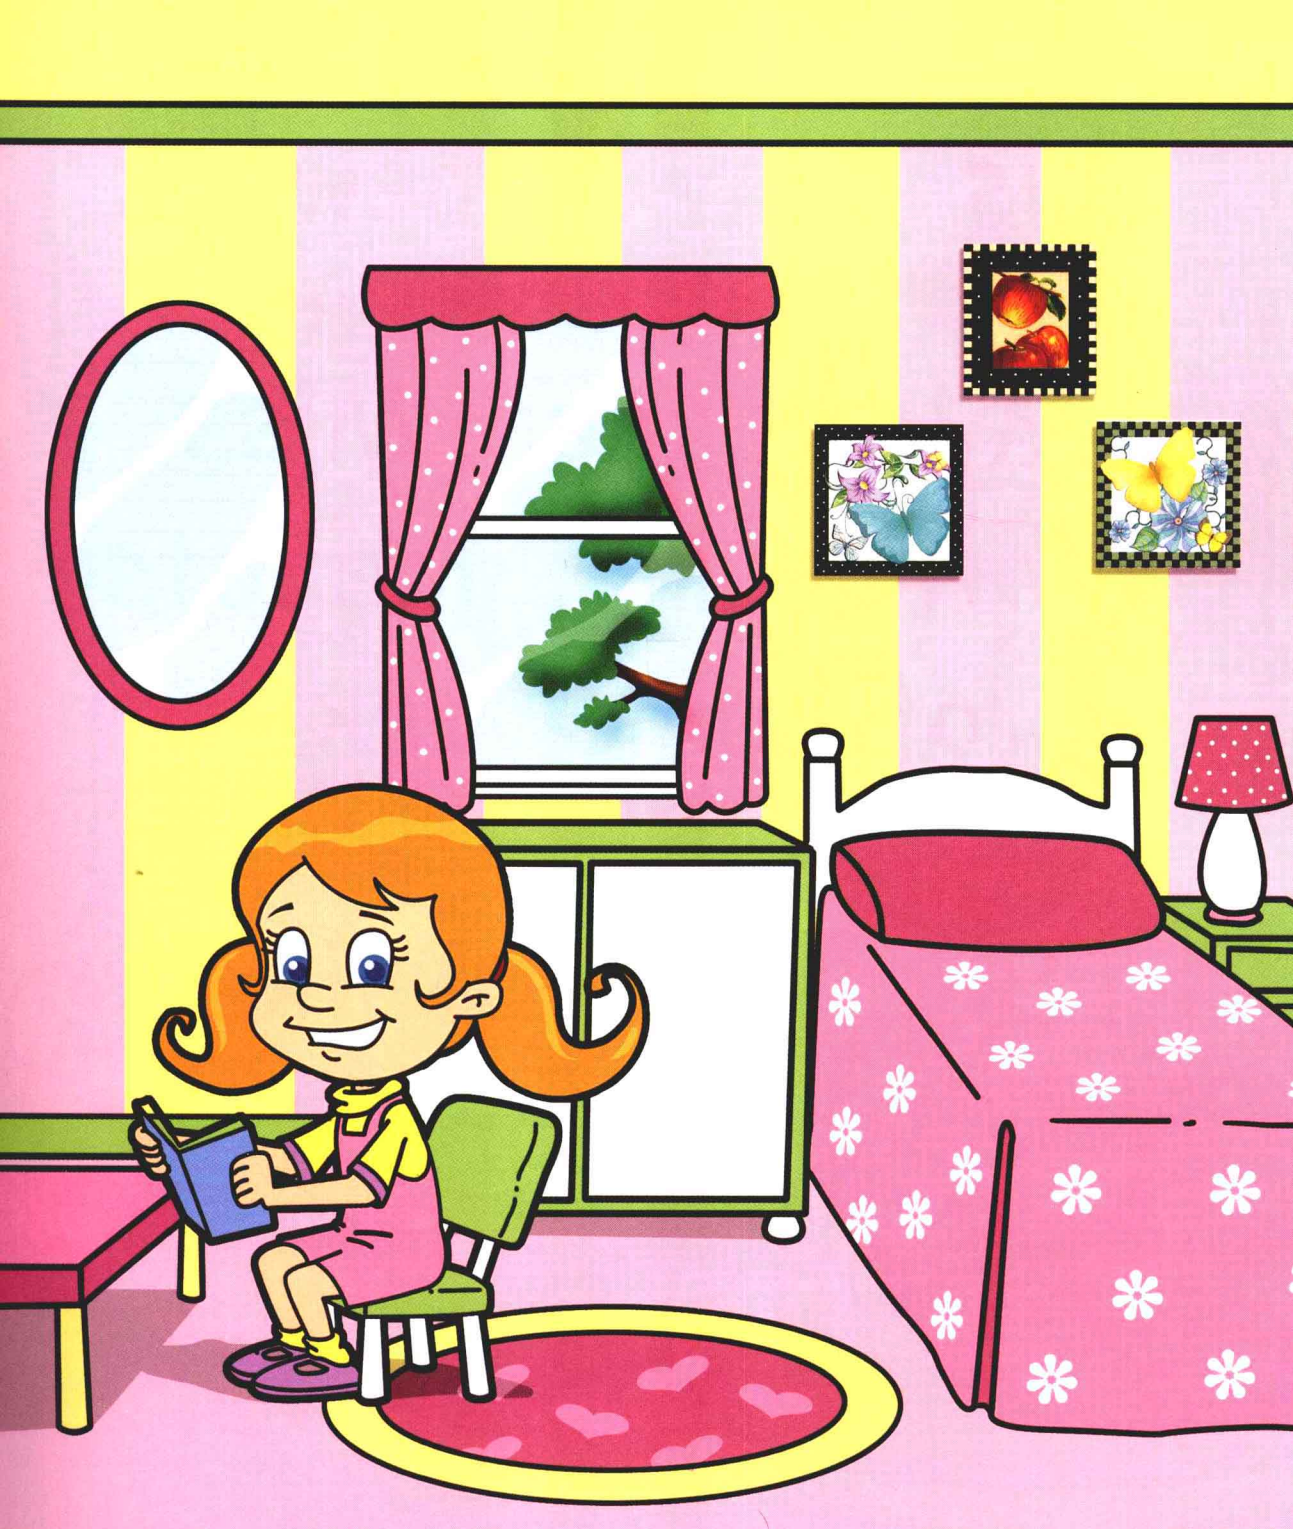

It is not messy.

I'm reading.

I like to read.

Lesson for today:

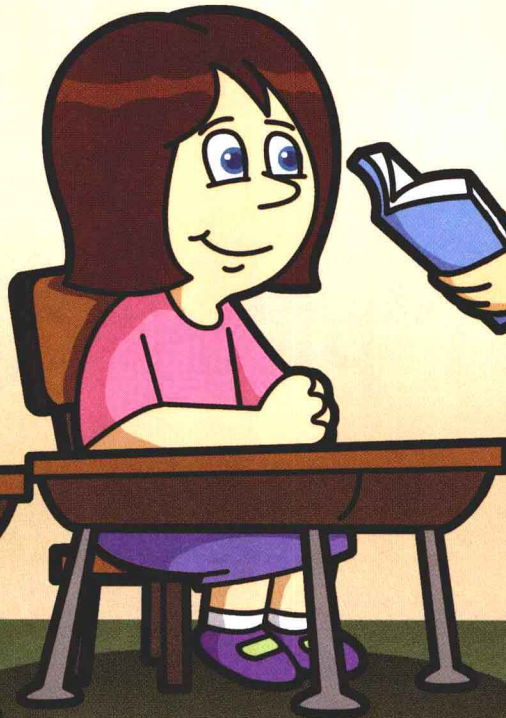

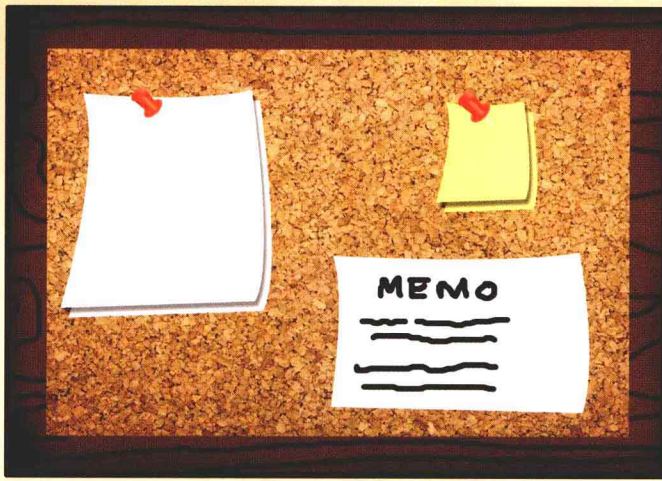

She likes to read to
us.

She is not often
angry.

She doesn't pick on
us.

She makes us happy.

But sometimes she is
angry with Kevin.

He is one very bad
student.

He doesn't stop
playing.

Sometimes he talks
in class, too.
