ACKNOWLEDGMENTS

The authors wish to acknowledge that in the writing of this casebook we have been assisted by many people. Of course, the errors are entirely our own. We would particularly like to thank the Honorable Paul Michel, retired Chief Judge of the U.S. Court of Appeals for the Federal Circuit, and Rafael (Ray) V. Lupo, McDermott Will & Emery, co-authors on earlier editions of this book. Without their help, this current edition would not exist.

Timothy R. Holbrook

I dedicate this edition to two important people in my life whom I lost in 2011. First and foremost, my mother, Lenore Schang Holbrook, whose courageous battle with cancer continues to inspire me. Second, the Honorable Glenn L. Archer, Jr., for whom Judge Moore and I clerked. He gave me important and long-lasting lessons on professionalism and civility. I would like to thank Namon Huddleston, who makes everything in my life better. Finally, my thanks to Emory Law for support during this revision.

John Murphy

I gratefully acknowledge my colleagues at Woodcock Washburn for their aplomb and their thoughtful conversation. And thank you to Kate Murphy for her tireless encouragement and support.
