## FOREWORD

---

This edition of the Corporations Code of California, *without court constructions and other annotations*, provides the members of the California Bench and Bar with a compact Code containing the full text of the law, completely indexed.

It is a companion work to WEST'S ANNOTATED CALIFORNIA CODES in which the user will find exhaustive annotations to the judicial construction and application of the Code, detailed historical notes explaining legislative changes in the provisions, references to law review commentaries, and many other informative features.

All legislative amendments and supplementary provisions through the 1980 portion of the 1979-1980 Regular Session are integrated in accordance with their official allocations.

This convenient handbook provides the practitioner with easy access to the Corporations Code for basic research and reference.

For text of the former General Corporation Law repealed by Stats.1975, c. 682, eff. Jan. 1, 1977, see Appendix at the end of this handbook.
