## About Wolters Kluwer Law & Business

Wolters Kluwer Law & Business is a leading provider of research information and workflow solutions in key specialty areas. The strengths of the individual brands of Aspen Publishers, CCH, Kluwer Law International and Loislaw are aligned within Wolters Kluwer Law & Business to provide comprehensive, in-depth solutions and expert-authored content for the legal, professional and education markets.

**CCH** was founded in 1913 and has served more than four generations of business professionals and their clients. The CCH products in the Wolters Kluwer Law & Business group are highly regarded electronic and print resources for legal, securities, antitrust and trade regulation, government contracting, banking, pension, payroll, employment and labor, and healthcare reimbursement and compliance professionals.

**Aspen Publishers** is a leading information provider for attorneys, business professionals and law students. Written by preeminent authorities, Aspen products offer analytical and practical information in a range of specialty practice areas from securities law and intellectual property to mergers and acquisitions and pension/benefits. Aspen's trusted legal education resources provide professors and students with high-quality, up-to-date and effective resources for successful instruction and study in all areas of the law.

**Kluwer Law International** supplies the global business community with comprehensive English-language international legal information. Legal practitioners, corporate counsel and business executives around the world rely on the Kluwer Law International journals, loose-leafs, books and electronic products for authoritative information in many areas of international legal practice.

**Loislaw** is a premier provider of digitized legal content to small law firm practitioners of various specializations. Loislaw provides attorneys with the ability to quickly and efficiently find the necessary legal information they need, when and where they need it, by facilitating access to primary law as well as state-specific law, records, forms and treatises.

Wolters Kluwer Law & Business, a unit of Wolters Kluwer, is headquartered in New York and Riverwoods, Illinois. Wolters Kluwer is a leading multinational publisher and information services company.

# Preface and Acknowledgments

Every state in the United States—and the federal government and the District of Columbia—has (literally) tens of thousands of criminal statutes on the books. These bodies of criminal statutes (sometimes collected in a so-called Crimes Code) are different as well as constantly changing—in every single one of these jurisdictions. But there are, nonetheless, important similarities in the history, approach, coverage, and application of *all* the major criminal offenses in *each* of these jurisdictions. It is these similarities, as well as the most significant differences in approach and coverage, that are discussed in appropriate detail in the chapters that follow.

This book—the first and second editions—was written primarily for use by law students who are taking a law school course in criminal law. We have each taught just such a course for longer than we care to admit, and we have tried to include herein all the information necessary for a law student to obtain an informed overview of everything that is typically taught in such a law school course.

This book should prove helpful to non-law students as well. It would serve as a useful overview of criminal law in the United States for undergraduate students enrolled in criminal justice courses. Moreover, this book would serve as a useful tool for criminal justice professionals working in other countries who might want to look to American criminal law as a basis for comparison to their own criminal codes. Indeed, this book would be helpful for many others as well, such as journalists, legislators, and administrators working in the U.S. criminal justice system and interested laypeople who would simply like to gain a better understanding of—and more informed insights into—the nature of substantive criminal law in this country.

It is our hope that the unique features of this book will be particularly useful for readers. The Overview at the beginning of each chapter positions the material that follows in that chapter within the whole field of criminal law. The Frequently Asked Questions feature (FAQs) gives readers clear and cogent answers to issues that commonly pop up in a criminal law course. Sidebars add some color to the coverage of substantive criminal law, offering readers some parenthetical insights. (Use that material to show off in class!) The Summary feature near the end of each chapter offers you a quick and easy guide to the most basic points covered in that chapter. And the Connections feature at the end of each chapter helps you fit the points made in that chapter with the other chapters in the book and the whole body of substantive criminal law.

A number of different types of updated material was added to this second edition. In particular, there was an unusually large number of Supreme Court decisions bearing upon substantive criminal law issues that were decided since the first edition was published. Reference to these various decisions can be found throughout the chapters in this second edition. Particularly noteworthy, however, are the newly included decisions relating to justifications for punishment—e.g., when the death penalty can be imposed—that are referenced in the first chapter.

Finally, we wish to acknowledge with our sincere gratitude the assistance in the production of the first edition of this book of Barbara Roth, the managing editor for this project at Aspen; the editorial assistance of Dana Wilson; the research assistance of Corrie Thearle (Pitt Law, Class of '12) and Sarah Drinkwater (Pitt Law, Class of '09); and the drawings of Dan Schneider (in the conspiracy chapter). We also wish to express our gratitude to our families, not only for their forbearance during the time we took to accomplish this project, but for their crucial role as well in spending all of the (modest) amount of money generated by sales of this book.

## **Chapter 1. Purposes of the Criminal Law ..... 1**

<b>A. Justifications for Punishment .....</b>	<b>2</b>
1. Retribution .....	4
2. Restraint .....	5
3. Specific Deterrence .....	6
4. General Deterrence .....	6
5. Rehabilitation .....	8
6. Expressing Community Values .....	10

## **B. Application of the Justifications for Punishment ..... 10**

1. Scenario # 1 .....	12
2. Scenario # 2 .....	13
3. Scenario # 3 .....	14

## **Chapter 2. Actus Reus Requirement ..... 17**

<b>A. The Voluntary Act Requirement .....</b>	<b>18</b>
1. Defining “Voluntariness” .....	19
a. Hypnosis .....	20
b. Forced Movements .....	20
c. Automatism .....	21
2. Recklessness/Negligence Crimes .....	22
3. Strict Liability Offenses .....	23
4. Possession Offenses .....	23
5. “Status Based” Crimes .....	24

## **B. Omissions ..... 24**

1. Exceptions to the General Rule .....	25
2. Duties to Act .....	26
a. Statutory Obligations .....	26
b. Status Relationships .....	27

c. Contractual Obligations .....	29
d. Assumption of Duty .....	30
e. Creation of Peril .....	30
3. Predicates to Duty .....	31
4. Constitutional Issues .....	32
<b>Chapter 3. Mens Rea .....</b>	<b>35</b>
<b>A. Mens Rea Formulations .....</b>	<b>36</b>
1. Concurrence of Act and Intent .....	37
2. Common Law .....	38
3. Changes in the Common Law .....	38
4. Purpose .....	39
5. Knowledge .....	40
6. Recklessness and Negligence .....	41
7. Construction of Criminal Statutes .....	44
<b>B. Strict Liability Offenses .....</b>	<b>47</b>
1. Traditional Aversion to Strict Liability .....	47
2. Public Welfare Offenses .....	49
3. Impact of Strict Liability .....	51
<b>C. Intoxication and Drugged Condition .....</b>	<b>52</b>
<b>D. Mistake of Fact .....</b>	<b>55</b>
<b>E. Mistake of Law .....</b>	<b>57</b>
<b>Chapter 4. Causation .....</b>	<b>63</b>
<b>A. Common Law Approaches .....</b>	<b>64</b>
1. Actual Causation .....	64
2. Legal Causation .....	66
a. The Year and a Day Rule .....	67
b. Legal Causation Tests .....	67
c. Dependent and Independent Intervening Causes .....	69
d. Model Penal Code Approach .....	70
<b>B. Specific Applications .....</b>	<b>71</b>
1. Transferred Intent .....	71
