| Part VIII. Interaction between Energy Law and Tax Law       | 173 |
| Part IX. Interaction between Energy Law and Competition Law | 181 |
| Conclusion  | 187 |
| Selected Bibliography                                       | 189 |
| Index   | 199 |

# **Energy Law in South Africa**

**Willemien du Plessis**

This book was originally published as a monograph in the International  
Encyclopaedia of Laws/Energy Law.

General Editors: Roger Blanpain, Frank Hendrickx

Volume Editor: Kurt Deketelaere

Associate Volume Editor: Bram Delvaux

**Wolters Kluwer**

## The Author

Willemien du Plessis is Doctor of Law and Professor at the North-West University (Potchefstroom Campus) South Africa. She teaches environmental law, land law and legal history. She has published more than 180 articles and contributions in books on these topics and participated in various international and national inter-university research projects. She has also participated in various governmental working groups on land reform. She is a member of the World Commission on Environmental Law (WCEL) of the World Conservation Union and the South African Environmental Law Association. She is an evaluator for the National

Research Foundation on the above-mentioned topics. She was the co-chair of the IUCN Academy of Environmental Law's Research Committee from 2009 until 2013. She is on the editorial boards of the *Resource Management Theory & Practice* (*RM Theory & Practice*), the *Botswana Law Journal* and the *South African Journal of Environmental Law and Policy*.
