Law & Business

The Author

Giovanni Ziccardi was born in Castelfranco Emilia, Modena, Italy, on 17 June 1969. He is a graduate of Modena University, and holds a PhD in 'Legal Informatics' from University of Bologna. A lawyer, he was founder and chairman of the 'Italian Cyberspace Law Conference', one of the most important European Conferences concerning cyberspace law. He is editor-in-chief of the International Scientific Review 'Ciberspazio e Diritto' (Cyberspace and Law). Before teaching law at the University of Milan, Professor Ziccardi spent seven years conducting research at the Research Centre of History of Law, Philosophy and Sociology of Law and Computer Science and Law (CIRSFID) at the University of Bologna. The research was developed under the supervision of Professor Enrico Pattaro, Director of the Centre.

He is admitted to practice before the Italian Courts. He is now a full-time professor of 'Legal Informatics' at the Faculty of Law of the University of Milan, Italy.
