Preface

I wrote this book for law students everywhere. It helps in understanding English law if you have a grasp of the sources, the institutions, the people who populate them and the way cases progress through them. Studying the English Legal System should be stimulating. Our legal system is very old and very important, in worldwide terms. Its rich history is awesome so I hope I have not made the English Legal System seem dull. At the same time, the system is a living organism. It is transforming rapidly before our eyes. This edition has had to be entirely rewritten, such is the pace of change in the context of every Chapter. The way it develops raises intense political and moral issues. Above all, I hope it helps you to understand that the law exists in the real world, not in books.

Penny Darbyshire, October 2001.

Table of Cases

1-800 Flowers Inc v. Phonenames Ltd [2001] EWCA Civ 721; <i>The Times</i> , July 9, 2001	9-011
