In loving memory of my mother, Royce Jule Williams

—BRAD

*For my loving wife, Holly, and my children, Jack,
Justin, and Jonah. Thanks for your love and support*

—DAVID

ABOUT THE AUTHORS

BRAD WILLIAMS Brad Williams is the co-founder of WebDevStudios.com and AppPresser.com, a co-host on the DradCast podcast, and the coauthor of *Professional WordPress* and *Professional WordPress Plugin Development*. Brad has been developing websites for nearly twenty years, including the last eight where he has focused on open-source technologies like WordPress. Brad has given presentations at various WordCamps across the globe and is a co-organizer for the Philadelphia WordPress Meetup and WordCamp Philly. You can follow Brad online on his personal blog at <http://strangework.com> and on Twitter @williamsba.

DAVID DAMSTRA is Vice President of Marketing Services and Creative Director for CU*Answers where his team of developers empowers clients with WordPress. David manages a team of developers to create websites and web applications for the financial industry. His team uses WordPress as the foundation for many web projects. David is also a Zend Certified Engineer for PHP5. You can find David online professionally at <http://ws.cuanswers.com>, where he focuses on web technology and best practices for web development, especially pertaining to the credit union industry, and personally at <http://mirmillo.com>.

HAL STERN is a technology leader for a healthcare company and contributed to the first two editions of this book. He has been using WordPress for over a decade to power his personal rants at <http://snowmanonfire.com> about New Jersey, sports, and food. Hal's interest in WordPress internals grew out of diagnosing a content search problem with his own website.

ABOUT THE TECHNICAL EDITOR

LISA SABIN-WILSON lives in Wisconsin and has been developing websites with the WordPress content management system since 2003. Lisa is a partner at WebDevStudios, a custom WordPress design and development agency specializing in WordPress builds for big enterprise brands. Lisa is also the co-founder of AppPresser, a plugin that enables you to create an iOS and/or Android app with WordPress. When she is not editing Brad Williams' Professional WordPress book, Lisa is the author of her own series of WordPress books for the For *Dummies* brand, including the best-selling *WordPress for Dummies*, currently in its Seventh Edition.

ACKNOWLEDGMENTS

THANK YOU to the love of my life, April, for your endless support and friendship, and for continuing to put up with my nerdy ways. Thank you to my Dad for inspiring me to become the man I am today; to my awesome nieces, Indiana Brooke and Austin Margaret; to the entire WordPress community for your support, friendships, motivation, and guidance; and to Michael, Jason, Freddy, and Hannibal for always lurking in the shadows. Last but not least, thank you to my ridiculous zoo: Lecter, Clarice, and Squeaks the Cat (aka Kitty Galore). Your smiling faces and wiggly butts always put a smile on my face.

—BRAD WILLIAMS

THANKS TO MY FAMILY—Holly, Jack, Justin, and Jonah—for their love and support while I was writing away. I'd also like to thank my parents, family, friends, and coworkers who have all helped in some way and encouraged me to write this book. Finally, I would like to thank the entire WordPress community for creating such a robust and powerful application.

—DAVID DAMSTRA
