Note

Artists, illustrators and craftspeople will appreciate the quality, diversity, and imaginative flair of these rare Art Nouveau patterns and designs. Selected from a vintage turn-of-the century portfolio, the designs feature swirling, sensuous floral and foliate motifs that are a hallmark of the Art Nouveau style. They are reproduced here in vibrant full color, providing a rich source of artistic and creative inspiration for anyone working in the decorative arts, interior design, and a host of other arts and crafts endeavors.
