TABLE OF PARALLEL REFERENCES

This table shows where the subject matter of the various sections of articles in the first edition of American Jurisprudence is treated in American Jurisprudence 2d. It enables one to translate references in the Am Jur General Index, in the AM JUR FORMS books and in AM JUR PROOF OF FACTS as well as the many references to "Am Jur" in the reported cases in other legal publications, into references to Am Jur 2d.

When a particular subject matter is treated in another topic the title of the other topic is indicated.

The reader should always consult the volume index for detail and for matter not appearing in the first edition.
