A Physical and Cultural Approach

Richard G. Boehm, Ph.D.
Professor of Geography
Southwest Texas State University
San Marcos, Texas

GLENCOE

McGraw-Hill

New York, New York Columbus, Ohio Woodland Hills, California Peoria, Illinois

About The Author

DR. RICHARD G. BOEHM worked from 1992 to 1994 as a member of the core writing team on the National Goals and Standards in Geography, prepared under *Goals 2000: Educate America Act*. In 1990 Dr. Boehm was designated "Distinguished Geography Educator" by the National Geographic Society. He has been president of the National Council for Geographic Education. He was one of the authors of the *Guidelines for Geographic Education* in which the five themes of geography were first articulated. Dr. Boehm is a major contributor to the social studies literature with articles in *Social Education* and the *Journal of Geography*. He has won the *Journal of Geography* award for best article twice. He has received the NCGE's "Distinguished Teaching Achievement" award and is presently Professor of Geography at Southwest Texas State University in San Marcos, Texas.
