## The Authors

Dr Alexandru Cristian Strenc, born 17 December 1949. He graduated from the Polytechnic University of Bucharest, Faculty of Control and Computers, in 1972. Ph.D. in Process Control Systems in 1983.

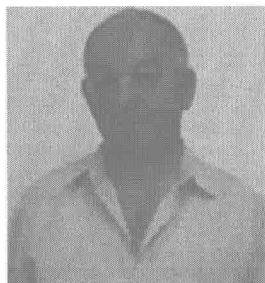

From 1988 he has worked with the State Office for Inventions and Trademarks as patent examiner and since 1990 as Deputy Director General. He is the author of numerous articles and papers published in Romania and abroad. In 2000, 2001 and 2003 he effected stages of studies at the Max Planck Institute for Intellectual Property, the European Patent Office, the US Patent and Trademark Office, the WIPO, the Danish School for Public Administration. In 1997 and 1998 he acted as Vice-President of the General Assembly of WIPO. Dr Strenc is member of the Administrative Council and Patent Law Committee and of the European Patent Organization, and Chair of the Supervisory Board of the European Patent Academy. He also headed the Romanian Delegation in the Administrative Council of the Community Plant Variety Office. He is head of the Romanian delegation in the Working Party of Intellectual Property-Patents of the EU Council.

Dr Strenc is President of the Editorial Board of the Romanian Review of Industrial Property and teaches on IP matters at Bucharest Polytechnic University.

Dr Gheorghe Gheorghiu, born 1 March 1955, was a Judge (1980–1990) and legal expert with the Romanian Government (1990–1994). Since 1992 he is professor at various Faculties of Law and since 1994, attorney of the Bucharest Bar Association, claim expert on industrial property. Since 1993, certified industrial property attorney and member of the AIPPI-national group of Romania. He participated in industrial property courses at Strasbourg between 1996–1999. He published studies and papers on industrial property law and commercial law.

## The Authors

Dr Gheorghe Bucsa, is currently scientific Director of Patent and Trademark Agency Inventa, Bucharest (from 2008).

He graduated from the University 'Politehnica' of Bucharest (1965) and subsequently (1986) he obtained his doctorate. He also graduated from the Design College of Bucharest(1982).

Between 1969–2008 he has worked with the State Office for Invention and Trademarks (OSIM). From his duties at OSIM we mention : head of Department of Preliminary Examination within Patent Section, head of Design Department.

Also he acted as teacher within 'Politehnica' University of Bucharest, for design and geometry cathedra.

During this entire period of time he improved his knowledges by performing a series of stages at the main organizations within the Industrial Property field, such as: World Intellectual Property Organization (WIPO) in Geneva, Switzerland, Benelux Office for Intellectual Property (BOIP) in the Hague, Netherlands, National Institute for Intellectual Property INPI in Paris, France, United States Patents & Trademarks Office (USPTO) in Washington, US.

He has written over 120 articles and fifteen booklets on industrial property protection. He has written two very important books: *Inventor's guide* and *Protection of industrial design*.
